Fax: 212-369-4608

The New York College of Podiatric Medicine is approved by the Council on Podiatric Medical Education (CPME) as a sponsor of Continuing Medical Education in Podiatric Medicine. All full participation registrants will be awarded 14 CME Contact Hours.

The two-day symposium is offered for all those health care providers who deal frequently with wounds of the Lower Extremity.

The objectives of this meeting are:
a. To provide evidence-based knowledge and skills to treat and prevent wounds.
b. To identify the risk factors contributing to lower extremity wounds and ulcerations.
c. To describe and understand the vascular testing and procedures for treating high-risk patients.
d. To enable the practitioner to effectively treat and evaluate the at-risk population.

You can register online at www.nycpm.edu/cmelist.asp
