The Centralia, WA kids help build a new classroom.
Medical Mission Team 2011
Reunion with a 2010 founding member of IPC.
Thank you Mr. Goodeill for making this a reality.
This club and its unprecedented mission trips was made possible because of the vision and relentless efforts of Dr. Munjed Salem, class of 2010, with the support and direction of Drs. Khan, Barlizo and Iorio.

The students who participated were simply vessels of a larger cause; “We cannot do Everything, but We can do Something”
