How beautiful on the mountains are the feet of the messenger who brings good news, the good news of peace and salvation.

Isaiah 52:7
Our clinic: “The Clinic of the Lord”
Treatment room.
Out beautiful patients.
QuickTime™ and a YUV420 codec decompressor are needed to see this picture.

Our patient patients.
Dehiscence of thigh wound with fibrotic edges.
Excisional debridement of fibrotic tissue and approximation of wound edges.
De-syndactylization procedure.
Prepping meds for the migrant workers camp.
Migrant workers camp located about 30 minutes from Ensenada City
Our long line of eager patients; young and old.
Residences of the migrant workers camp.
Physical Assessment at work.
Using what we know.
8 mo.’s pregnant and yet to receive any medical attention
Our gracious hosts at Welcome Home!
This is hard work, the Doc’s couldn’t hang.
We all did our share of work.
That’s right, even the Doc’s put in some work.
The Pastor of the Church making up the other half of our Mission Trip.
Thank you to Pastor Elmer for making this trip a reality.
This unprecedented Mission Trip was possible because of the vision and unrelentless efforts of Mr. Munjed Salem with the support and direction of Drs. Iorio and Khan. The students who participated were simply vessels of a larger cause; “We cannot do Everything, but We can do Something.”
Special Thanks To

- Mr. Munjed Salem
- Pastor Elmer
- Dr. Shirffy
- Dr. Khan
- Dr. Iorio
- Dr. Barlizo

And NO, we had nothing to do with the Swine Flu.
