NYCPM & FCNY Screen Attendees at ADA EXPO

The Foot Center of New York and New York College of Podiatric Medicine fielded a team at the American Diabetes Association EXPO at the Jacob Javits Convention Center on March 14. The team screened over 300 participants and informed them of complications of their lower extremities if left untreated, demonstrating the value of a routine visit to a podiatrist.

Representing NYCPM/FCNY were, top row left to right: Tim Bui 2014, Chand Sawhney 2019, Sam Kellner 2017, Ali Saleh 2017, Nick Muller 2017, Anthony Iorio, DPM ('81), MPH.
