

## Sandra Daniels Director, Human Resources & Risk Management

---

**Sandra Daniels** has been the Director of Human Resources at NYCPM since 2006; she oversees the human resources needs of both NYCPM and FCNY, and serves as the in-house educational trainer, conducting workshops in a multitude of disciplines pertaining to both healthcare and labor requirements.

Prior to being an HR executive, she was the Operations Manager of several large manufacturing companies throughout the US. She attended CUNY Lehman and graduated in 1976 with a BA in Elementary Education. Her educational background has afforded her many unique opportunities in the business world for 30-plus years, as well as in healthcare.
