UK-Trained Pakistani Podiatrist Tours NYCPM

Left to right: Jeffrey Cusack, DPM ('81); Aisha Wajahat, BSc; Khurram Khan, DPM, in the Gait Lab at NYCPM.

Aisha Wajahat, BSc, the first British-trained podiatrist in Pakistan, came to visit NYCPM to observe podiatry in the US. She visited with Jeffrey J. Cusack, DPM ('81) and the gait lab, Michael Rothstein, MSN, in wound care and the entire medicine department in clinic A, and spent time with Barbara Resseque, DPM ('80) in workshops in the afternoon. Dr. Wajahat graduated from Birmingham School of Podiatry, Aston University, Birmingham, UK with a BSc, is a full-time podiatrist at Shifa International Hospital, Islamabad, Pakistan, and is a member of the Society of Chiropodists and Podiatrists in the United Kingdom.
