

ACFAS Board Delivers Lecture, Stipend, and ... a Game!

ACFAS President Steinberg presents ACFAS Student Club president Jonathan Shalot (2020) with the annual stipend for the NYCPM club.

On November 8, the entire ACFAS Board of Directors and senior NYCPM staff hosted a meeting of the ACFAS Student Club at NYCPM. The meeting included a clinical lecture about interesting cases presented by Larry Rubin, DPM, FACFAS, and a residency director panel discussion including Drs. Thanh Dinh, Chris Reeves, Harry Schneider and John Steinberg. The meeting provided an opportunity for student questions about residency and to meet several top directors and program faculty. At the meeting, ACFAS Board President Steinberg, DPM, FACFAS, presented ACFAS' annual \$1,000 stipend to ACFAS Student Club president Jonathan Shalot (2020). The students have broad discretion as to how they can spend the stipend: on surgically-related activities, workshops, lectures, etc.
