NYCPM Hosts 2015 APMA Basketball Tournament

NYCPM hosted the 2015 APMA basketball tournament in New York at Baruch College on April 17 and 18 and a great time was had by all! Sara Cathcart (2016), Student Association President, acknowledged the long-term role of 2015 APMSA CAB Basketball Tournament Chairperson Maya Robinson (2017) in making the tournament a success. Play was intense; the Scholl men's and women's teams remained champions and brought their trophies back to Chicago. Cathcart reported that many of the students told her how much they enjoyed the tournament and visiting New York City!
