

## **NYCPM ALUMNI ASSOCIATION MAKES GENEROUS DONATIONS TO STUDENT CLUBS AND ACTIVITIES**

The Alumni Association Board of Trustees, at its meeting held during the New York State Podiatric Medical Association Clinical Conference, approved a number of donations that will ensure that the student body can continue its tradition of excellence in both academics and athletics. The Alumni Association earmarked \$1,500 for the Class of 2012 (for the purchase of a full-body skeleton that will assist in their anatomy studies), \$3,900 for the Medicine A Clinic (for the purchase of three more vacuum burrs), \$500 for the NYCPM Basketball Team (to go toward their attendance at the upcoming national tournament held in California). The sum of \$500, in tandem with matching amounts from the New York State Podiatric Medical Foundation and the Caribbean-American Medical Scientific Association, was donated to the International Podiatry Club to fund its medical mission trip to Baja, Mexico. A total of \$7,400 was donated by the Alumni Association.
