NYCPM Resident E. Giannin Perez, DPM, Approved for Membership at the New York Academy of Medicine

NYCPM Resident E. Giannin Perez, DPM, a resident since her graduation from the College in 2011, has been approved for Membership at the prestigious New York Academy of Medicine. The Academy, an independent organization since 1847, addresses the health challenges facing the world’s urban populations through interdisciplinary approaches to policy leadership, innovative research, evaluation, education, and community engagement. Drawing on the expertise of diverse partners worldwide and more than 2,000 elected Fellows from across the professions, the Academy’s current priorities are to create environments in cities that support healthy aging; to strengthen systems that prevent disease and promote the public’s health; and to eliminate health disparities.
