MISSION STATEMENT

The Local Chapter of the American Academy of Podiatric Sports Medicine at New York College of Podiatric Medicine strives to promote education and the enhancement of knowledge in the field of podiatric sports medicine. Our goal is to provide students an opportunity to advance their understanding of evaluation, treatment, management, and prevention of lower extremity injuries in sports and fitness through hands on experience, educational seminars and workshops. We believe that through this mission, we will positively affect the public’s awareness of podiatric sports medicine and its promise to ensure health and safety in the active individual.
