Objectives:

The AAPSM is proud to offer state of the art content in the following areas:

Specifically, we seek to:

- Enhance participants’ knowledge of sport pathologies and treatments
- Provide an update on the trends of athletic footwear
- Develop an understanding of how other sports medicine professionals treat athletes
- Learn how to develop a holistic plan when dealing with athletes
- Understand not just the pathology but the root cause
2:30-3.00 STRESS FRACTURES IN THE ATHLETE
Brian Fullem, DPM

3:00 - 3:30 BREAK/ Visit Exhibits

3:30 – 4:00 RUNNING FOOTWEAR: ARE YOUR RECOMMENDATIONS BASED ON SCIENCE OR DOGMA?
