Dues are assessed at the rate of $50 per student. The invoices will be sent to the NYCPMSA President.
It is the responsibility of the President to arrange for the necessary funds to be sent directly to the APMSA no later than November 1st of that year. Colleges that cannot adhere to this deadline must contact the ED in advance of the deadline date. All checks should be made out directly to APMSA.

It will also be the responsibility of the local student chapter to send an evaluation of the event to the CAB Board within one month of the program.

In an effort to allow all of the schools access to monies set aside by CAB each year for grants, the deadline for grant requests is usually around March 1 of each year. Requests will be handled on a first come, first served basis.

If the club president cannot continue their position, the club vice president will take over for the remainder of the year.
Section 2: NYCPMSA Club Meetings

Student Club Presidents will be required to meet with the NYCPMSA Vice-President biannually (2 times per year) to discuss future event planning and to provide a written report of all club activities. The Vice-President will give this report to the NYCPMSA at the next Student Council meeting. The NYCPMSA Vice-President will set the meeting date and time with the club presidents.

Section 3: Club Funding

Funding will be provided at the discretion of the NYCPMSA Treasurer and with approval by the NYCPMSA President and Dean of Student Services. Club funding is expected to come primarily from membership dues. Clubs are encouraged to seek extra funding. All clubs are encouraged to have fund-raisers to supplement their funding and any grant monies.

The NYCPMSA Treasurer will oversee club funding. All requests for reimbursement from club events must be submitted within 30 days along with a valid receipt of the payment and will be accepted at the discretion of the NYCPMSA Treasurer and Dean of Student Services.

If a club is to be terminated, the remaining funds will be distributed equally to each of the remaining active clubs on campus.

Section 4: How to Establish a New Club

• Submit a letter of intent to start a new club to the NYCPMSA and a document listing ten interested students to the NYCPMSA Vice-President and Dean of Student Services. Schedule a meeting with these respective positions to discuss the letter of intent.

• If intending to be associated with an outside professional organization (appropriate to the purpose of the student club), make necessary contacts with that organization and follow the instructions to obtain student chapter status.

• Elect club officers to move the proposal forward

  • Email an announcement of the launch of the new club to all class years at NYCPM.
  • Hold an initial meeting (including the faculty advisor) to welcome additional members, discuss possible club activities for the coming year and collect dues and submit dues two weeks after each event that is designated for students to join a club.
  • Submit a description of the club for the school website.
  • Conduct business per NYCPMSA guidelines for the remainder of the probationary year, including fundraising to cover necessary expenses, to qualify for regular club status for the following year.

• Designation as a Club and as a Temporary Club

  • All clubs with club constitutions on file with the NYCPMSA, appropriate membership, and association with professional organizations, shall be given funding each year (as stated in Section 3). Any organization wishing to become a student club may do so by first being a temporary club for the first year of existence. During the probationary year, the organization must supply the NYCPMSA with a club constitution, raise its own funds, and must satisfy the same requirements as every other club, as outlined in the following sections.

Section 5: Club Requirements

This section outlines and mandates the yearly requirements of the clubs recognized by NYCPMSA.

A. Enrollment and Participation
All clubs must have a minimum number of active members. The minimum number of members will be 10 and will include all enrolled student club members and club officers. Clubs must hold quarterly meetings (total of 4 per year). Active membership guidelines for student members are at the discretion of the club presidents. In addition all clubs must satisfy the following area designated in Section 5 including: Sections 5a, Section 5b, Section 5c and Section 5d.

**B. Volunteer Events**

Each club, independently or in conjunction with another club, must provide volunteer events to its members. These volunteer events should offer student members educational benefit, either by way of presentations or hands-on experience. The volunteer events should also supply some benefit to the public. The events should give the public education about podiatry and its role in the healthcare system. A minimum of two (2) events should be scheduled annually. It is the responsibility of the club officers to notify the school community of all events in a timely fashion and to record attendance at these events.

**C. Workshops and Lecturers**

Each club, independently or in conjunction with another club, must provide guest lecturers to present topics to the student members. The topics presented should be relevant to the specialty of the club. A minimum of one (1) guest lecturer should be scheduled to present within a given year of club activities. When possible, sponsorship for the guest lecturer should be sought and attained. It is the responsibility of the club officers to notify the school community of all guest lecturers in a timely fashion and to record attendance at these events.

**D. Student Lecturer Series**

Each club, independently or in conjunction with another club, must provide opportunities for student lecturers to present topics to the other student members. Student members should be encouraged, either independently or in small groups, to prepare presentations. These presentations should educate the other student members about a topic as
well as provide experience in preparing/delivering presentations on podiatric material. These lectures are not a requirement, but are encouraged for each club to do a minimum of one (1) per year. It is the responsibility of the club officers to notify the school community of all guest lecturers in a timely fashion and to record attendance at these events.

E. Maintaining Club Websites

The Club Secretary is responsible for maintaining and updating their respective NYCPM Club webpage. Failure to maintain/update the club’s webpage for more than 3 consecutive months, without proper excuse, places the club on probation.

Section 6: Materials/Supplies

It is the responsibility of club officers to obtain necessary materials to be used at all club events.

Section 7: Rejection of Club Status

The Vice-President shall audit all clubs every six (6) months. Any current club that does not meet the requirements above is subject to being placed on probationary club status.

To meet the 6 months audit, the club president must:

- Submit the club Constitution to the NYCPMSA Vice-President
- Provide an updated list of paid club members to the NYCPMSA Vice-President and Treasurer
- Hold at least one (1) volunteer events per 6 months
- Hold at least one of the following: quarterly meeting, workshop/lecture or student lecture series
- Have at least one club officer be present at mandatory quarterly meetings

If you do not meet the audit:

- Clubs will not be eligible for additional funding that has been allotted by the NYCPMSA Treasurer
Clubs will not be permitted to participate in multi-club events

In order to be placed on probationary status, the vice-president must advise the student council and Dean of Student Services of the matter. A 2/3 vote is necessary to place a club on probationary status. Within the first 3 month probationary audit, club(s) must hold one (1) event and one (1) meeting. Failure to complete these tasks within the 3 month probationary review results in termination of the club. Eligibility of funds during this probation period is based on the NYCPMSA Treasurer’s and the Dean of Student Services discretion.
