

## Susheel Bathla, DPM ('94), LHD Board of Trustees Member

---

**Board of Trustees Member Susheel Bathla, DPM ('94), LHD**, is CEO of Staten Island Podiatry, a 30-year-old practice in Staten Island, NY. Dr. Bathla also serves as a doctor of primary podiatric medicine within the practice, and has two additional offices, one in Brooklyn and one in Jamaica, New York.

Dr. Bathla has taught Education in Human Values for almost 20 years to pre-teen and teen students. She has been active in organizing and participating in health fairs and podiatry awareness events, and is a frequent visitor and service provider to soup kitchens, shelters in her New Jersey neighborhood, and several senior citizen homes.

Dr. Bathla received her BS degree in Medical Sciences, with honors, from Government College for Women, Punjab University, in India, and her DPM degree from NYCPM in 1994. She served her Residency at Long Beach Medical Center in Long Beach, NY.
