

NYCPM Clinical Faculty Honored by NYCHHC Metropolitan Hospital

The New York College of Podiatric Medicine's clinical faculty, residents and students staff the podiatry departments of several NYCHHC Hospitals, including Metropolitan Hospital. Each month, Metropolitan distributes Compliment Cards to patients who have been seen by providers there. The Compliment Cards are collected and the Employee Recognition Committee selects a 'winner' based on the majority of compliments received.

For August 2021, the winner was the Podiatry Department! NYCPM deploys 12 DPMs, nine residents and multiple students, as well as Metropolitan's Chief of Podiatry, Dr. Michael J. Trepal. NYCPM was awarded a plaque on September 27 for its 'hard work and dedication' to its patients. On hand for the event were, left to right: April Alexander, Director of HR/Metropolitan; Dr. Anthony R. Iorio; Dr. Daniel Yaeger; Dr. Ronald Soave; Dr. Kevin Jules; Cristina Contreras, Executive Director/Metropolitan; Dr. Michael J. Trepal; Dr. John Pellicone, Medical Director/Metropolitan; Noreen Brennan, Chief Nursing Officer/Metropolitan.
