

## Welcome Dr. Bernstein to the Medicine Department

---

**Matthew Scott Bernstein, DPM**, joined the Department of Medicine in July as Clinical Instructor, teaching Podiatric Medicine and Friday workshop to third-year students. Dr. Bernstein received his BS in Biology with a minor in Chemistry from the University of Miami and obtained his doctorate in podiatric medicine from Barry University of Podiatric Medicine and Surgery, graduating at the top of his class. He completed his podiatric medical and surgical residency training at Mercy Hospital, Coral Gables, Florida. Dr. Bernstein is Board Certified in Podiatric Medicine by the ABPM.

Dr. Bernstein practiced for seven years in Tampa, Florida before relocating to New York. For the past five years, Dr. Bernstein has guest lectured for the Athletic Training Program at the University of Tampa on foot and ankle pathology and disease management. He is particularly interested in Sports Medicine and has been a consulting Podiatrist for the Tampa Bay Rowdies Soccer Team and the University of Tampa Athletics Department. Dr. Bernstein has published podiatric-related papers about Charcot Deformity in a patient with residual Clubfoot deformity as well as a case report on a patient with retained foreign body in the soft tissue.
