OVERVIEW
In accordance with the Jeanne Clery and the Higher Education Opportunity Act, The New York College of Podiatric Medicine has created this report identifying the following:

- Operations of the Office of Campus Safety and Security
- College policies pertaining to adherence to municipal, state and federal laws
- Policies and procedures regarding reporting of incidents, missing students, access into facilities, fire safety, emergency response and notification systems
- Crime prevention programs
- Statistical information on crimes that occurred in The New York College of Podiatric Medicine and The Foot Center of New York (FCNY) over the past three years. The Foot Center (Clinics) of New York, while being the clinical training ground for students of the College is a separate 501 (c) (3) corporation. The FCNY leases all space from the College. The College is solely responsible for all safety and security issues arising on its property.

Faculty, staff and students are notified by email of the availability of the Annual Crime Statistics & Fire Safety Report on the NYCPM Website. Hard copies of this brochure are also available in the Office of the Safety and Security upon request.

ANNUAL SUBMISSION OF REPORTS
An Annual Security Report ("ASR"), including Crime Statistics for the reporting calendar year, will be prepared timely by security director/designee(s) and the Office of Institutional Compliance and published in accordance with federal regulations under the Clery Act.

A) The ASR will be posted to the NYCPM website on or before the first (1) day of October of each year.

B) The ASR will include Crime Statistics by appropriate location, where applicable, and will include the previous three (3) years of reported statistics.

C) Notification of the availability of the ASR must be viewable on or before the first (1) day of October of each year to students, faculty and employees by web posting. The notification will include the link to the report and the Crime Statistics.

D) The New York College of Podiatric Medicine provides the notification via email communications upon request.

E) Distribution is made electronically via web page, email communication or hard copy upon request.

F) Documentation of the steps taken to comply with the notification process is required, when available.

BUILDING ACCESS & SECURITY POLICY
During regular business hours, NYCPM is open to the college community, guests and others with legitimate College or Clinic business. The hours of operation for the buildings vary based on the academic school year.
STUDENT RESIDENTIAL FACILITIES ACCESS POLICY:
NOTE: NYCPM does not own any student housing. NYCPM passes the rental fee to the
owners of said property. However, we do maintain the following policies. More detailed
policies can be viewed in the lease.
Access into student residential facilities is restricted to residents, their approved guests and other
approved members of the NYCPM community. Access is strictly monitored and regulated by
key card. Policies and procedures pertaining to guest privileges are governed by individual
student housing facility management. Residents are cautioned against permitting strangers access
into student residential facilities and are encouraged to maintain a community watch for
suspicious activity or behavior.

SECURITY
The landlord attempts to provide for the security of individuals and their belongings through a
security system that includes locks for rooms and buildings, controlled access to buildings, alarm
systems and/or video monitoring. To report or discuss security issues contact the Director of
Safety and Security.

Security measures are only as effective as the individuals on campus choose to make them.
Students are encouraged to use sound judgment at all times.

At times it may be necessary to establish other security checks and procedures and it is expected
that students will cooperate fully in carrying out security procedures, all of which are designed to
promote the safety and security of the College community.

All students, faculty and staff are expected to assume reasonable responsibility for personal
safety. By using common sense, safety practices such as walking in groups, reporting suspicious
activities, keeping money, books and other personal items protected, locking car, room and
office doors when leaving and generally being alert to personal welfare will ensure personal
safety on and off campus. All threats and/or altercations (verbal or physical) that are based on
religious, gender or racial bias by either a member of the College community or a stranger must
be reported.

Students should be their own safety advocates and take these strategies seriously:

- Stalker – If you feel someone is stalking you, make an immediate report to the college
  administration. A restraining order or some other action may be taken to keep you safe. If
  someone is following you suspiciously, head towards crowds, lighted areas or occupied
  buildings.

- Obscene Calls – Don’t engage an unknown caller in conversation or give any personal
  information. Keep track of unwanted phone calls and document the time and content of these
  calls. Save harassing or obscene phone messages, and turn over all of this information to the
  College administration.

- Walking Around - Don’t walk alone after dark. Stay in well-lit and populated areas.

- The Element of Surprise – Make it difficult for someone to surprise you. For example, don’t
  walk around or jog with headphones when you are alone.

- Protect Your Personal Property – Don’t leave backpacks, purses or other bags unattended;
  always lock your bike or car; don’t leave valuables in plain sight; don’t leave large amounts
  of cash in your room or on your person.
- Cyber-Safety - Despite the perceived anonymity of cyberspace, the internet and spam can pose serious threats. Releasing personal information (particularly your Social Security number or phone number) over the internet can result in identity theft and/or stalking. Identity theft is a long-hard road to overcome, often involving years of effort to reestablish damaged credit ratings and more. Meeting people on-line can be dangerous. On-line matchmaking can be risky and require careful monitoring, and students are recommended to seek thorough background checks by a reliable authority before arranging a meeting with anyone.

To report or discuss security issues contact the Director of Safety and Security or a member of the administration.

REPORTING TO OTHER CAMPUS SECURITY AUTHORITIES

The Clery Act recognizes certain College officials and offices as “Campus Security Authorities (CSA).” The Act defines these individuals as “official of an institution who has significant responsibility for student and campus activities, including, but not limited to, student housing, student discipline and campus judicial proceedings. An official is defined as any person who has the authority and the duty to take action or respond to particular issues on behalf of the institution.”

All Campus Security Authorities are required to report a crime in writing if they have a reasonable basis for believing the information is not simply rumor or hearsay. Campus Security Authorities are not sworn law enforcement personnel and do not have the authority to make arrests. If a Campus Security Authority is unsure whether the information was provided in good faith, he/she should report the information. A Campus Security Authority is not responsible for determining authoritatively whether a crime took place. It is the function of Law Enforcement Personnel to determine whether a crime took place, if applicable. NYCPM's Campus Security Authorities:

CRIMES INVOLVING STUDENTS AT OFF-CAMPUS LOCATIONS
The New York College of Podiatric Medicine does not allow student organizations to maintain off-campus locations. All individuals, whether they belong to the College community or not, are subject to all international, federal, state and local laws while on the NYCPM campus and affiliated sites and may be subject to criminal charges when applicable, even for first offenses.
We encourage the NYCPM community to report any incidents promptly to both NYCPM security representatives and/or your local law enforcement agencies (where applicable). The College relies on its close working relationships with local law enforcement agencies to receive information about incidents involving students and employees at all College sites.

EMERGENCY PREPAREDNESS EFFORTS
Recognizing the importance of emergency preparedness, The New York College of Podiatric Medicine has created a written document, School Emergency and Crisis Response Plan, outlining the College’s response and recovery to any emergency or crisis that “threatens the College populations, programs, properties, reputation, and viability.”
ALCOHOL AND CONTROLLED SUBSTANCES POLICY STATEMENT

It is the policy of NYCPM, as stated in the Personal Conduct section of the Student Handbook, that the unlawful use, possession, distribution, or manufacture of drugs or controlled substances on NYCPM property is strictly prohibited. Individuals who possess, use, distribute or manufacture drugs or controlled substances, are subject to disciplinary action, including but not limited to expulsion, as well as possible criminal prosecution. Improper use of prescription drugs is similarly prohibited. Students found in violation of these policies may be subject to disciplinary proceedings as described in the school catalog and student handbook. Student violators may be subject to the following sanctions and remedial measures:

<table>
<thead>
<tr>
<th>Nature of Violation</th>
<th>Responses for First-Time Violations May Include, But Are Not Limited To</th>
<th>Responses for Repeat Violations May Include, But Are Not Limited To</th>
</tr>
</thead>

• Service to the college community | • Disciplinary Probation  
• Mandatory referral for counseling and treatment

• College-level disciplinary actions | • Legal action  
• College-level disciplinary action |

Each faculty and staff member of NYCPM is expected to abide by NYCPM’s policies for maintaining a drug-free workplace. The policy statement on drug abuse pertaining to students also applies to faculty and staff. Furthermore, all faculty and staff are required to notify the
appropriate Dean or Chief Operating Officer of any criminal conviction relating to his or her own drug activity within five (5) days of such conviction. Faculty and staff (part-time or full-time) who violate NYCPM policies on drugs and controlled substances may be subject to disciplinary sanctions.

In both cases for students and faculty and staff, the existence of a progressive system of disciplinary sanctions measures does not preclude NYCPM from levying a heavy sanction, without first resorting to a lesser sanction. By way of illustration and not exclusion, NYCPM may expel a student or terminate a staff or faculty member for a violation of policy without first issuing a warning or putting that student or employee on probation. The following regulations apply to students, faculty and staff of NYCPM:

The consumption of alcoholic beverages by individuals under the age of 21 is illegal.

All persons are prohibited from consuming alcoholic beverages on the premises of NYCPM (unless at an event specifically sanctioned by NYCPM Administration in writing), where inebriation may occur or entering or remaining on NYCPM premises in an impaired state. Alcoholic beverages are not, by and large, banned from the campus. NYCPM recognizes an adults practice of social drinking.

Alcoholism, while it may be a disability, does not excuse any faculty and/or staff member of NYCPM from violating a legitimate NYCPM policy or neglecting their responsibilities to NYCPM. Individuals whose work performance is impaired as a result of the use/abuse of alcohol may be required to participate in an appropriate evaluation/treatment program and may, in certain circumstances, lead to sanctions against that individual.

If you are an alcoholic, you may self identify to the Dean or Chief Operating Officer, as the case may be, and request confidential counseling and/or referral services to help with your problems. All inquiries and requests for assistance will be handled with strict confidentiality.

Substance Abuse Self-identification and Amnesty
NYCPM recognizes that, sometimes, there may be health or safety emergencies related to the use of drugs or alcohol in which the potential for disciplinary action by NYCPM may deter students who want to seek assistance for themselves or for another member of the NYCPM community. In such instances, the health and safety of the at-risk student will be NYCPM’s top priority. Therefore, should a student, or another individual on behalf of that student, voluntarily come forward seeking assistance in a situation involving the over-consumption or abuse of drugs and/or alcohol, NYCPM’s student conduct response to the over-consumption/abuse will be, first and foremost, focused on medical treatment, counseling, and/or educational interventions. However, NYCPM reserves the right to address any associated acts that compromise the well-being of its community and its members, such as harassment, violence, damage, harm to self or others, or distribution of illegal substances, on a case-by-case basis as deemed appropriate and necessary.

Reporting a Personal Concern
Students who have concerns about their use of alcohol and/or other drugs, or students who are concerned of such use by a friend are encouraged to seek assistance through one of NYCPM’s
support services. Confidentiality in these circumstances may be protected in compliance with NYCPM policy and applicable law (e.g. FERPA, HIPPA, etc.).

Know the signs of substance abuse:
- Passed out or difficult to awaken
- Cold, clammy, pale or bluish skin
- Slowed breathing
- Vomiting (asleep or awake) Know how to help:
- Turn a vomiting person on his/her side to prevent choking
- Clear vomit from the mouth
- Keep the person awake
- NEVER leave the person unattended

Substance Abuse Counseling
Many different mutual and self-help programs are available near NYCPM. Although most programs are abstinence-based and follow the 12-step approach, there are also programs that support moderation and a goal and/or do not use 12 steps. Some of the programs listed below may have a religious affiliation; others may merely use spirituality as part of the program. Meeting times and locations are available upon contacting the corresponding phone numbers or websites. Each meeting is somewhat different from any other, even within the same program, both in terms of structure and participants. Many people find it helpful to explore different options.

SMOKE FREE ENVIRONMENT
New York City requires that educational institutions, among other public places and places of employment, be smoke-free inside and within 100 feet of entrances, exits, windows that open, and ventilation intakes. Under this Act, NYCPM prohibits smoking as defined below, including electronic smoking devices and hookahs, in all of its in-door areas and classrooms, including but not limited to lobbies, libraries, lounges, bathrooms, conference rooms, and offices. No smoking shall be permitted within 100 feet of entrances, exits, windows that open, and ventilation intakes of any NYCPM facility. Violation of this policy may result in official reprimand; and if the violation persists or is repeated may result in expulsion.

Definitions
“Smoking” means inhaling, exhaling, burning, or carrying any lighted or heated cigar, cigarette, or pipe, or any other lighted or heated tobacco or plant product intended for inhalation, including hookahs and marijuana, whether natural or synthetic, in any manner or in any form. “Smoking” also includes the use of an electronic smoking device which creates an aerosol or vapor, in any manner or in any form, or the use of any oral smoking device for the purpose of circumventing the prohibition of smoking in this policy.

“Electronic Smoking Device” means any product containing or delivering nicotine or any other substance intended for human consumption that can be used by a person to simulate smoking through inhalation of vapor or aerosol from the product. The term includes any such device, whether manufactured, distributed, marketed, or sold as an e-cigarette, e-cigar, e-pipe, e-hookah, or vape pen, or under any other product name or descriptor.

“Hookah” means a water pipe and any associated products and devices which are used to produce fumes, smoke, and/or vapor from the burning of material including, but not limited to, tobacco, shisha, or other plant matter.

WEAPONS & FIREARMS POLICY
Concealed weapons are prohibited on and within property of institutions of higher education. The New York College of Podiatric Medicine expands the law to include prohibiting possession or carrying of weapons, firearms, or explosions; and possession or use of fireworks, ammunition, air guns, airsoft, or other weapons such as knives, tasers, swords, billy clubs, throwing stars, and nunchucks. Exclusions made for security personnel and others where deemed necessary.
NEW YORK COLLEGE of PODIATRIC MEDICINE RESPONSE TO SEXUAL AND GENDER VIOLENCE

Policy on Title IX and Sexual Misconduct

This policy applies to all members of the NYCPM community, including students, faculty, and administrators as well as third parties (i.e. vendors, and invitees). Discrimination or harassment of any kind in regard to a person's sex is not tolerated at our institution. Information and/or training regarding this policy is available to students, faculty, and staff.

NYCPM promotes an environment in which the dignity and worth of all members of the community are respected. It is the policy of NYCPM that sexual intimidation of students and employees is unacceptable behavior and will not be tolerated.

Title IX Grievance Policy

Title IX of the Educational Amendments of 1972 prohibits any person in the United States from being discriminated against on the basis of sex in seeking access to any educational program or activity receiving federal financial assistance. The U.S. Department of Education, which enforces Title IX, has long defined the meaning of Title IX’s prohibition on sex discrimination broadly to include various forms of sexual harassment and sexual violence that interfere with a student’s ability to equally access our educational programs and opportunities.

This Title IX Grievance Policy became effective on August 14, 2020, and only applies to formal complaints of sexual harassment alleged to have occurred on or after August 14, 2020. Alleged Conduct that occurred prior to August 14, 2020 will be investigated and adjudicated according to the Title IX and Sexual Misconduct Policy then in effect.

Title IX Coordinator

Any person may report sex discrimination, including sexual harassment (whether or not the person reporting is the person alleged to be the victim of conduct that could constitute sex discrimination or sexual harassment), in person, by telephone, or by electronic mail, using the contact information listed for the Title IX Coordinator, or by any other means that results in the Title IX Coordinator receiving the person’s verbal or written report.

Contact Information for the Title IX Coordinator:

Title IX Coordinator
Mr. Joel Sturm
53 East 124th St
New York, NY 10035
(212) 410 - 8047
Email: jsturm@nycpm.edu

NOTE: NYCPM may at times engage Touro University’s legal department for procedure, investigation, and guidance.
Such a report may be made at any time (including during non-business hours) by using the telephone number or electronic mail address, or by mail to the office address listed for the Title IX Coordinator.

**When Title IX Applies**

The Title IX process will apply when all of the following elements are met:

1. The conduct is alleged to have occurred on or after August 14, 2020;

2. The conduct is alleged to have occurred in the United States;

3. The conduct is alleged to have occurred in NYCPM’s education program or activity; and

4. The alleged conduct, if true, would constitute covered sexual harassment, as defined under Title IX, as:
   
   a. an employee conditioning educational benefits on participation in unwelcome sexual conduct (i.e., quid pro quo);

   b. unwelcome conduct that a reasonable person would determine is so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the educational institution’s education program or activity; or

   c. sexual assault (as defined in the Clery Act); or dating violence, domestic violence, or stalking (as defined in the Violence Against Women Act (VAWA)).

If the alleged misconduct meets these requirements, then the Title IX grievance process applies and the Potential Complainant may file a Formal Complaint or their prior Complaint submission will become a Formal Complaint. For the purposes of this Title IX Grievance Policy, “formal complaint” means a document – including an electronic submission - filed by a complainant with a signature or other indication that the complainant is the person filing the formal complaint, or signed by the Title IX Coordinator, alleging sexual harassment against a respondent about conduct within Touro’s education program or activity and requesting initiation of the procedures consistent with the Title IX Grievance Policy to investigate and adjudicate the allegation of sexual harassment.

If the alleged misconduct does not meet these Title IX requirements, it requires a mandatory dismissal under Title IX, but it may be addressed by the broader Touro Sexual Misconduct Policy or another applicable Touro policy.

For more details surrounding the Title IX Grievance Policy please see: [https://www.touro.edu/title-ix-policy/](https://www.touro.edu/title-ix-policy/)
Sexual Misconduct

NYCPM prohibits discrimination based on sex, including sexual harassment. The prohibition against discrimination extends to employment and third-parties. Sexual harassment is unwelcome conduct of a sexual nature and can include sexual advances, request for sexual favors, and other verbal, non-verbal, or physical conduct. Environmental harassment (sometimes referred to as hostile environment) is sexually harassing conduct that is sufficiently severe, persistent or pervasive to limit an individual’s ability to participate in or receive benefits, services, or opportunities at Touro. This can include persistent comments or jokes about an individual’s sex; verbal behavior, including insults, remarks, epithets, or derogatory statements; nonverbal behavior, including graffiti, inappropriate physical advances short of physical violence such as repeated and unwanted touching; and assault, including physical violence or the threat of physical violence.

New York Law also defines these acts as crimes if any of them are engaged in with a person who is incapable of consent either because of the person’s age or because the person is mentally defective, mentally incapacitated, or physically helpless. Therefore, sexual abuse, sodomy, and rape are sex crimes and violators will be prosecuted in accordance with New York Penal Law.

Retaliation against any individual who made a complaint will not be tolerated.

To officially file charges for an act of sexual assault or rape, please contact the NYPD. If the alleged perpetrator is a student, you can initiate disciplinary action against this individual. All incidents must be reported within six (6) months of their occurrence.

NYCPM seek to foster a collegial atmosphere in which students are nurtured and educated through close faculty-student relationships, student camaraderie, and individualized attention. Discrimination or harassment of any kind is anathema to NYCPM’s mission, history, and identity. NYCPM will resolve any identified discrimination in a timely and effective manner, and will ensure that it does not recur. Compliance with NYCPM’s policies and procedures is a necessary step in achieving a safe environment in our educational community. The policies set forth were developed to promote a safe educational environment in compliance with the Violence Against Women Act (VAWA) and a high-quality campus life.

Those believing that they have been harassed or discriminated against on the basis of their sex, including sexual harassment, should contact the Office of the Chief Operating Officer immediately. When NYCPM has notice of the occurrence, NYCPM is compelled to take immediate and effective corrective action reasonably calculated to stop the harassment, prevent its recurrence, and as appropriate, remedy its effects.

This policy applies to all members of NYCPM, including students, faculty, and administrators as well as third parties (including, but not limited to, vendors, invitees, etc.). Information and/or training regarding this policy are available to students, faculty, and staff.

*Rape & Sexual Violence*

Sexual Assault/Improper Sexual Conduct is a criminal offense pursuant to the Penal Law. If a member of NYCPM community engages in improper sexual conduct, it may result in the severest disciplinary sanctions available to NYCPM. NYCPM will cooperate fully with Law Enforcement authorities should the victim seek criminal prosecution. NYCPM also recognizes that confidentiality is most important to victims of sex crimes.

While complete confidentiality cannot be guaranteed, every effort will be made to maintain confidentiality on a “need to know basis.” The victim’s wishes not to report a sexual assault to the police will generally prevail, but NYCPM reserves the right to notify the police when it is believed that such reporting is necessary for the protection of others.

All reports of Rape and Sexual Violence must be investigated by the Title IX Coordinator. Any reports made to a member of the pastoral care or clinical services provider on campus must be reported for statistical purposes only.

- If you think you are being followed, go to the nearest police station or public place.
- Never be afraid to sound your horn to attract attention.
- Do not be ashamed and think you caused this. Instead tell everyone you know that you are being stalked, from neighbors, to co-workers, to classmates so that no information about you is provided to the stalker.
- Tell the stalker NO once and only once, and never give him/her satisfaction of a reaction again.
Preserve any evidence that may help you obtain college help through no-contact orders, or court assistance with restraining orders. For help with this, contact the local police or Security right away. Some examples of evidence preservation include:

- Preserving any email, texts, or electronic messages on social media.
- Photographing any threatening messages that are not electronic.
- Asking friends to witness any overt behaviors such as being followed.
- Keeping a journal of stalking events.

If You Are Being Sexually Assaulted

- Keep your head. Stay as calm as possible, think rationally and evaluate your resources and options.
- Be realistic about your ability to protect yourself. Yelling, hitting, or biting may give you a chance to escape, but be aware it can also expose you to further harm.
- Passive resistance such as vomiting, urinating, or telling the attacker that you are ill or menstruating is another option.
- Knowing self-defense can help you to overcome fear and think clearly in emergencies.
- Do not try to defeat the attacker. Just get away as fast as you can. There is no right way to respond to an attack. If you escaped alive, you responded in the right way.

If You Have Been Sexually Assaulted

- You must NEVER BEAR the RESPONSIBILITY for being assaulted. Responsibility for the crime lies with the rapist alone.
- If possible do not shower, bathe, brush your teeth, eat, drink, smoke, urinate or change your clothes.
- Do not disturb anything in the area where the assault occurred.
- Get immediate medical attention. An exam may reveal the presence of a physical injury. Following a sexual assault, antibiotics are typically given at the time of the exam to help prevent the victim from acquiring certain sexually transmitted diseases. A urine test conducted within 96 hours can determine if a drug was used.
- Write down a description of the assault, circumstances, and the attacker.
- Many police departments now have special victims units that are specially trained to deal with rape and/or sexual violence victims. In addition, many hospitals also have rape crisis units.
- Reporting the assault is an important step in ending this violence. You should feel comfortable with your decision.
- Call someone to be with you. You should not be alone. Contact a rape crisis center to help you deal with the aftermath.

If Someone You Know Is a Victim of an Assault

- See that they have a safe place to stay and will stay with someone.
- Give the victim your emotional support. Let them express their feelings. Do not pry into details.
- Do not be judgmental, instead listen, and provide understanding.
- Rape and/or sexual violence are never the victim’s fault. Do not let them blame themselves or think that they did something to cause the attack.
- Encourage the victim to get medical attention, contact a rape crisis center, and report the incident. Help the victim explore their options but let them make the decision.
- Point out that since they are still alive they have achieved a major victory.
Bystander Awareness

- Don’t turn a blind eye.
- If you are attending a social gathering with a friend, remember the same principles apply in every scenario.
- Be mindful of your friend(s) and make sure you come and go together and if you don’t leave together that your friend(s) is/ are able to make decisions for himself/herself/themselves.
- If you see someone at risk, get involved.
- Don’t wait for someone else to take an action.
- Be honest and directly talk about the consequences of their actions.
- Solicit help from other bystanders.
- If the person is your friend, communicate by either asking the person “Are you okay,” “Is he/she bothering you,” etc.
- Give the person an out like calling their cell phone or distracting the other person.
- If it doesn’t feel safe to say something, you can call the police or any other person of authority.

Don’t let resentment prevent you from stepping in.

Risk Reduction

Risk reduction consists of options designed to decrease perpetration and bystander inaction and to increase empowerment in an effort to promote safety and to help individuals and communities address conditions that facilitate violence. In addition to the risk reduction strategies above, consider the following:

- If someone is behaving disrespectfully or making you feel uncomfortable, take steps to remove yourself from the situation early, especially if you are concerned it may become violent.
- If you feel as though someone may be stalking you, ask someone who understands these issues, like the Security Team to help you clarify what’s going on and develop a safety plan. If you are being stalked, tell everyone you know. Ask your friends to keep an eye out for your stalker.
- If you feel afraid, call 911. NYCPM staff members are available to provide support and escorts around campus and in certain instances to assist the individual in getting home.
- You have the right to defend your body, your personal integrity, yourself.
- Do not second-guess yourself or the intentions of the person harming you. If you have indicated that you do not want to engage in a particular physical activity and your partner ignores you, take this as a sign that he or she has no intention of taking your feelings into consideration. This will help you decide what to do next.
- Your voice and your body are your best weapons. Learn effective ways to use them by taking a self-defense class, and bring a friend with you.
- There is no shame in being a victim.

Victim Assistance

In cases of rape and/or sexual violence, there are many sources of support available to victims.

On Campus

- NYCPM staff members are available to provide support and escorts around campus and in certain instances to assist the individual in getting home.
- Other available community resources may be provided based on student’s individual needs.
EMERGENCY ACTIONS IN RESPONSE TO VIOLENCE
Individuals who have experienced an act of violence, such as domestic violence, dating violence, sexual assault and/or stalking requiring immediate emergency assistance are advised to take the following actions:

- Get to a place of safety. Dial 911 for local police.
- Seek any necessary medical attention as soon as possible.

Nearby hospitals include:

**Metropolitan Hospital**
1901 1st Avenue
New York, NY 10029
(212) 423-6262

**Harlem Hospital**
506 Malcolm X Blvd

**Mt. Sinai Hospital**

**Reporting Incidents of Relationship Violence**
Upon addressing the immediate safety needs, individuals have multiple options for reporting incidents of relationship violence, depending on their comfort level and confidentiality needs. Students reporting incidents of sexual misconduct, to include sexual assault; sexual harassment; dating violence, domestic violence and stalking of a sexual nature, may contact:

Mr. Joel Sturm, COO
Title IX Coordinator

**Options to File a Grievance**
A victim of any criminal act, to include domestic violence, dating violence, stalking and or sexual assault has the option to pursue a criminal complaint with the police and if requested may be assisted by campus personnel to make the call. If the victim and the accused are both affiliated with the College, a complaint of sexual misconduct may be pursued through the College or
through both processes consecutively or concurrently. Regardless of the option, the College will prompt ignore an investigation of domestic violence, dating violence, sexual assault and stalking in a prompt comprehensive manner consistent with the obligations identified in VAWA and the College’s Title IX Policy.

Police/Emergency Services

Many police departments now have special victims units that are specially trained to deal with rape and/or sexual violence victims. In addition, many hospitals also have rape crisis units. To report a sexual assault to the police, dial 911.

NON-DISCRIMINATION AND ANTI-HARASSMENT POLICY

This policy applies to all members of the New York College of Podiatric Medicine community, including students, faculty, and administrators as well as third-parties (including, but not limited to, vendors, invitees, etc.). Discrimination or harassment of any kind in regards to a person's gender is not tolerated at our institution. Information and/or training regarding this policy are available to students, faculty, and staff. In addition, information about this policy is available on Hebrew Theological College’s website.

All divisions of the New York College of Podiatric Medicine seek to foster a collegial atmosphere where students are nurtured and educated through close faculty-student relationships, student camaraderie, and individualized attention. Discrimination or harassment of any kind is anathema to NYCPM’s mission, history, and identity. NYCPM will resolve any identified discrimination in a timely and effective manner, and will ensure that it does not recur. Those believing that they have been harassed or discriminated against on the basis of a protected class should immediately contact the Title IX coordinator. When NYCPM has notice of the occurrence, it will take effective corrective action reasonably calculated to stop the harassment, prevent its recurrence, and as appropriate, remedy its effects.

Definitions

Discrimination and Harassment

Harassment on the basis of any protected characteristic is strictly prohibited. Under this policy, harassment is verbal, written or physical conduct that denigrates or shows hostility or aversion toward an individual because of his/her race, color, religion, gender, sexual orientation, national origin, age, disability, marital status, citizenship, genetic information or any other characteristic protected by law or that of his/her relatives, friends or associates, and that

a) has the purpose or effect of creating an intimidating, hostile or offensive work environment;

b) has the purpose or effect of unreasonably interfering with an individual's work performance; or

c) otherwise adversely affects an individual's employment opportunities.
Harassing conduct includes epithets, slurs or negative stereotyping; threatening, intimidating or hostile acts; denigrating jokes; and written or graphic material that denigrates or shows hostility or aversion toward an individual or group and that is placed on walls or elsewhere on the employer's premises or circulated in the workplace, on company time or using company equipment via e-mail, phone (including voice messages), text messages, tweets, blogs, social networking sites or other means.

**Retaliation**

Retaliation is any kind of reprisal, adverse action, or negative action taken against an individual because he or she has: (1) complained about alleged discrimination or harassment as defined above, (2) participated as a party or witness in an investigation relating to such allegations, or (3) participated as a party or witness in a proceeding regarding such allegations. Retaliation can occur contemporaneously during the complaint process or subsequent to it, once the retaliator is aware of the recipient's participation in the process. Retaliation does not exist in the absence of an adverse action. An individual is protected from retaliation even when the complaint at issue is ultimately found to lack merit, as long as the complaint was made in good faith.

The New York College of Podiatric Medicine does not allow, nor tolerate any conduct by any NYCPM community member that may be regarded as retaliatory. Retaliation against any individual, whether said person submitted a complaint through the method described below, or for any other reason will not be tolerated.

**ANTI-DISCRIMINATION POLICY**

NYCPM admits students to all of the rights, privileges, programs and other activities generally accorded or made available to students at the college without regard to their race, creed, color, age, sex, national origin, or disability/handicap.

**CRIME LOG**

The College maintains a database, which archives all crimes reported to the department, except when disclosure of such information is prohibited by law or such disclosure would jeopardize the confidentiality of the victim. Information may be temporarily withheld if release of such information would: (a) jeopardize an ongoing criminal investigation or the safety of an individual; (b) cause a suspect to flee or evade detection; or (c) result in the destruction of evidence. The crime log data consists of the nature, date, time and general location of the crime and the disposition of the complaint, if known.

**TIMELY WARNING OF CRIMINAL ACTIVITY**

In accordance with the Clery Act, the College will generate a Campus Safety Alert upon receiving notification from a College member or the Police of a crime that is occurring in or
around our campus buildings that represents an ongoing or a continuous threat to the College
Community. CRIME STATISTICS CATEGORIES AND RECORDING MEASURES
Statistical crime data is provided for the past three calendar years in accordance with the federal
laws articulated in the Clery Act. Data included in the statistics column for Murder/Non
Negligent Manslaughter, Negligent Manslaughter, Domestic Violence, Dating Violence, and
Stalking, Sex Offenses, Aggravated Assault, Larceny / Theft, Intimidation, Simple Assault,
Vandalism and Motor Vehicle Theifs represent the number of victims in the crime occurrence.
Similarly, cases involving arrests for Liquor Law, Drug Law and Illegal Weapons violations are
recorded per person. Statistics captured under “Referred for Disciplinary Action” reflect the
number of individuals in a reported incident submitted to a campus official authorized to
administer and maintain a record of a disciplinary action. Statistics recorded for Robbery,
Burglary and Arson indicate the number of occurrences only.

DEPARTMENT OF SAFETY & SECURITY

CRISIS MANAGEMENT
Rev.2023

CRISIS MANAGEMENT

The purpose of this document is for the development of an effective protocol, to ensure a safe and secure environment for our students, faculty, staff, visitors, and patients during a violent/dangerous episode occurring on the premises of NYCPM. Related to this purpose is the need to have an effective Crisis Management Team of essential components inclusive of NYPD, FDNY, EMS and if the circumstances demand the intervention of same. The goal is to maximize the safety of our students, staff, faculty and visitors.

Emergency Preparedness

Emergency Preparedness is thinking of the hazards that can threaten safety and formulating a plan to minimize the emergency. An emergency is an unanticipated event that threatens the life/safety or health of members of the NYCPM community including students, faculty, staff or patients. Due to the varied nature of such incidents, it is difficult to plan for every scenario. It is incumbent on the staff and faculty to familiarize themselves with building protocols in the event of an emergency. The top priority of any situation is to end the threat and resolve the emergency.
Crisis Management Team

The membership of this Crisis Management Team should consist of an immediately accessible core group of personnel; thus, the business hours would encompass a larger core group as related to off hours, when there is minimal staff. Security is an essential part of the core. The Crisis Management team consists of five members. The members will meet regularly to discuss the existing plan as well as changes as circumstances dictate. Members will confer regularly with other faculty, students, and staff to monitor but not limited to any changes in student behavior, suspicious activity, or alarming social media posts. All members of the New York College of Podiatric Medicine Community are strongly encouraged to report any suspicious activity to staff, or faculty members. The NYCPM Crisis Management team consists of:

- Joel A. Sturm, Chief Operating Officer
- Michael Trepal, Dean
- Alain Silverio, Dean of Academics Administration
- Michael Lee, Director of Security
- Alexander Sanchez, Building Chief Engineer

Building Security/ Layout

The New York College of Podiatric Medicine is located at 53 East 124 Street in the borough of Manhattan. The facility has three street level entrances 53, 55 and 57. All three entrances are on the north side of East 124th Street between Park and Madison Avenue. The 55 East 124th Street entrance is the Foot Clinic of New York. It accepts patients and visitors Monday through Friday from 8 A.M until 4pm. The 57th And 53rd East 124 Street entrances are utilized by NYCPM students and staff. (see below for Foot Clinic) Security Guards are posted at the three building entrances Monday through Friday. Only the 57 East 124 Street entrance is accessible 24 hours a day, seven days a week, this entrance is always staffed by a security guard. This entrance also serves as a delivery entrance for all outside vendors.

All guards and maintenance staff are equipped with portable radios. In the event of an emergency information can be relayed in real time. The building is equipped with an overhead speaker system that can be activated and relay information to building occupants. Ninety-eight (98) security cameras are installed throughout the college and clinic. In the event of an emergency cameras can be viewed in real time or remotely. Building entrances at 53 and 57 East 124th Street as well as the third-floor security director’s office are equipped with monitors. Director of Security Michael Lee and members of the IT department have 24/7 access to building security cameras on scene or remotely.

Foot Center of New York- The Foot Center’s entrance is located at 55 East 124 Street and occupies most of the buildings’ first floor. It accepts patients Monday through Friday from 7:30 A.M to 4 P.M. It has three waiting rooms and numerous examination rooms. At all times while the center is open security is present. In the event of an emergency the center has two rear exits that can be utilized should circumstances dictate. Patients, guests, and staff will be directed by security.
Communication/ Rave Alert System

The overhead paging system is just one part of the communication requirement. The flow of information will generally be facilitated via e-mail and (or) cellular phone. Thus, expeditious notifications throughout our premises should include the activation of the RAVE alert notification system. Members of the NYCPM will receive timely notifications via the Rave system, voice, email and voice messaging.

Emergency Notification System

NYCPM Uses the RAVE ALERT notification system.
Enrolled: Students, staff, Faculty, Administration, Residents, and maintenance

All staff and student’s cell phone numbers have been logged into the College’s emergency notification system in addition to NYCPM related emails. This system is a cellular texting service that sends text, voicemail, and email notifications to all enrolled. This system is not used for regular mass messages. This system will only be utilized in an emergency. The system is tested quarterly and updated regularly.

Notifying 911 – During an emergency 911 is the first step to making emergency responders aware of the situation at hand. The more information that can be relayed to 911 dispatchers the more information responding personal will have. Multiple 911 calls from the same location usually make first responders aware that there is an ongoing situation at hand. A few tips when speaking with 911:

- Remain on the call if the dispatcher needs you to answer questions. Try and speak clearly and calmly.
- Give as much information as possible. What is the emergency? Although you do not need to reveal your identity, doing such lets the dispatcher know the call is real and not a prank. If you leave your phone number with the 911 dispatcher, there are instances where they will call you back with follow-up questions.
- Your location is the first information that should be relayed to the dispatcher. Be specific “I’m a student and I’m on the third floor of the building in a back room “
- If a description or identity of the subject is known relay that information the 911, it is not uncommon for the subject to be former or current student or employee.
- Remember, while you are speaking to 911 the dispatcher is relaying the information to responding units. By staying on the line, you are not delaying a response.
- Be guided by instructions from emergency dispatchers.
- When possible, notify the closet security staff.
Lockdown/ Shelter in Place

During a violent/dangerous episode, it may become necessary to lock down or shelter in place in one or more buildings or floors. There are two types of shelter in place, lockdown, and lockout. A lockdown is a form of sheltering that is used to limit access of the threat. A lockout is a building-based concept that allows the building to be used as a safe haven when a situation outside the building is considered dangerous. An example of this would be hazardous material spills or civil disturbances. To accomplish lockdown, there are structural elements that are required. The following are important but not all-inclusive:

- The lecture hall doors and classroom doors allow for egress as required by fire safety laws. These doors may be locked from the cylinder, with a key, on the outer side of the door; keeping the doors secured when class is in session should be practiced. Recently all classrooms, lecture halls and stairwells have been equipped with steel locking bars. These devices can easily be placed in the locking mechanism to stop any outside intrusion. Once the door is locked it should remain locked until instructed to by a competent authority.
- Areas where the entrance doors are entirely glass may be locked using the turnkey. During an emergency doors should be locked and occupants should move away from the glass door. When possible, move to a back room. The following locations have glass door entrances.

1. Office of the Dean- First floor -Room 100
2. Admissions/Student Services- First floor- Room 110
3. Executive Suite -Second Floor- Room 200
4. Clinical Sciences- 4th Floor Room 401
5. Business/ Accounting 4th Floor-Room 407
6. 5th Floor Skills Lab- 5th Floor- Room 515
7. Bruce Frankel Conference Room- Third Floor
- The Anatomy Lab doors should always be secured whether the lab is in use.

Building Evacuation

Evacuation will always be part of an effective means to safety when danger engulfs a given environment. The key to the safety component is that evacuation is implemented in an orderly manner. Walking to the exits is important, running may cause a situation to become chaotic. Generally, evacuations are preceded by an alarm, as in a fire, an overhead paged announcement, a strobe light blinking or a directive from an individual authorized to do so. In all cases, knowing your environment is paramount. One must "be aware" of the locations of the exits and their specific labeling. Security guards who are posted at the three building entrances will be assigned to hold open doors for rapid egress. The following tips are always recommended when an evacuation is in progress.

- Remain Calm
- When possible, walking or running creates a panic situation.
- Do not use elevators, use the stairs.
- proceed to the designated staging area
- do not re-enter the building unless instructed to by a competent authority.

There are two separate elevators within the College/Clinic. One is inside the building’s 53rd entrance and one is in the rear of the clinic. Elevators should be avoided during an emergency or an evacuation. Elevators can be deactivated by fireman’s service keys located at first floor command stations.

- Stairway “A” - located on the west end of the college building (53 East 124th Street).
- Stairwell "B" - located between the college building and the clinic building (55 East 124th Street).
- Stairwell "C" - located at the East End (57 East 124th Street).

Safe zone’s locations: There are two locations that will be utilized in the event of a building evacuation. The key component to the location of the staging areas is for evacuees to be out of sight from the building. In the event of an active shooter or bomb threat the more distance away from the target location is encouraged (at least 500 feet is recommended) these locations are not permanent and can change as circumstances dictate.

* South side of 124th Street and Madison Avenue past the building line.

* East side of 123rd Street and Park Avenue across from the entrance to the B and C parking lots.

Sensitive/ Critical Locations

The following are the locations of critical equipment that may or may not need to be shut off during a crisis: Maintenance and security personnel as well as members of the Crisis Management Team can direct responding authorities to the following locations when needed.

1. Overhead Paging System - Activated by any telephone on the premises.
2. Electric Shut-Off - Panels are in the Maintenance Shop and the electrical room adjacent to the boiler room. Both areas are in the basement.
4. Water Shut-Off - Maintenance Shop contains the shut off valves for domestic water (green) and the Sprinkler System (red). An additional valve (red) is in the Boiler Room.

Emergency Supplies: Most needed supplies, including oxygen masks and tubbing, are available within the FCNY clinic dispensary.

AED: Automated External Defibrillators – located in the following locations, Inside first floor clinic, Basement outside Physical Therapy, Second floor computer lab and in the third-floor cafeteria.
*Crisis Kit Supplies*

* Inside the closets at the below locations are disaster kits. Some of the items contained in the kits are listed below.

Utility closet in the basement (next to medical records)
Utility closet on the third floor near the cafeteria
Closet located inside Lecture Hall 203 - second floor

- Box of Latex gloves
- Bottled water
- Flashlights
- Batteries
- Clipboard with student release forms
- Permanent magic markers, pens and (or) pencils
- Blankets
- Legal pads
- Duct tape and plastic drop cloths
- Copy of Fire Safety Plan and Crisis Management Protocol
- First aid kits

A complete list of crisis kit supplies must be kept up to date to ensure that the kit has all items required and stored with the items of importance. The following is a list of items included:

- 2"x2" Gauze pads
- 4"x4" Gauze pads
- large compression bandages
- 2" stretch gauze roller bandages
- Scissors
- ½ or 1" adhesive tape
- Band-Aids
- Sterile eye pads Eye wash
- Cleansing pads
- Safety pins
- Chemical cold pack
- Triangular bandages
- Plastic airway for mouth-to-mouth resuscitation
- First aid cream

Command Stations Emergency Operations Staging Location
All emergencies are different in nature. Staging areas will be designated by responding emergency personnel after consultation with the Director of Security or Security Personnel on scene. It should be noted that during different types of emergencies Command stations might require set up locations not inside the school or clinic. Nearby store fronts or buildings are examples of suitable staging areas should it become necessary. When events dictate that command stations can be established inside NYCPM the command stations (as identified in the Fire Safety Plan) are located at 53 East 124th Street and 57 East 124th Street. Specifically, they are designated as Fire Command Station 1 (53 East) and Fire Command Station 2 (57 East), inclusive of the Fire Command Station in the basement. These locations have all relative information available for emergency responders from outside agencies as well as responders from within. All overhead announcements relative to an emergency will be facilitated at one of the command stations, not both simultaneously.

Media

All media inquiries must be directed to the Office of the Chief Operating officer.

Accountability

It is essential to account for every person who may have been on campus during a violent/dangerous event. (Students, staff, visitors, and patients) If you are present inside a building that is evacuated, and the situation resolves itself. Please make sure you are accounted for. By doing so let staff know you are accounted for and safe, and no further action is needed to locate you.

- Students - A comprehensive list of students and their related activities inclusive of rotations.
- Students - access control to establish who may be on campus at any given time
- Staff - Attendance System, sign in sheets
- Visitors - sign-in sheet for visitors located at the 57 and 53 entrances.
- Patients - Clinical Works (clinic computer program).
- General notifications will be broadcast VIA the RAVE alert system.
- Video surveillance

Types of threats, emergency situations.

The Crisis Management team will examine the numerous events that may be the impetus to an evacuation procedure. These events will include, but are not limited to, the following:

Bomb Threats
Active Shooter/ Armed person on school premise
Fire
Natural Disaster
Chemical Spill/ Unknown Substance
Active shooter/ Hostage/ Armed Intruder

Active Shooter – An individual actively engaged in killing or attempting to kill people in a confined and populated area. Actives shooters use firearms, explosives, or other deadly weapons. Often there is no pattern or method to their selections of victims.

Hostage situation- A hostage situation begins the moment a suspect takes a person under control and subjects that person to the risk of bodily harm.

1. Activate mass communication system with information relative to the location of the crisis, thereby informing people how to evacuate the building without contacting the crisis, and informing those who may not be able to evacuate to begin lockdown in the nearest classroom. Follow up messages will be broadcast over the schools Rave Alert System,

   - During a lockdown the use of an overhead speaker system should be avoided. The theory being the subject individual can hear the information being relayed to occupants of the building potentially putting them in harms way.

2. If you are directed to remain in a classroom, library or other location locking the door is paramount. NYCMP classrooms, lecture halls and hallway stairwells are equipped with locking bars that are located inside the room near the door. They are red in color. They can be easily affixed to the locking mechanism to prevent outside intrusion. The door should only be opened upon direction of responding emergency responders.

4. Do not open doors until the police or other competent authority arrive at the location you are. Remember the situation may not yet be resolved. It is not uncommon for perpetrators to mingle to avoid capture.

Bomb Threat

Bomb Threat procedures should be kept confidential to ensure that only those who need to know, know. Not to cause unnecessary panic. As in the previous section dealing with calling 911 many of the same variables apply. When receiving a bomb threat extracting as much information from the caller is essential in a successful outcome. The list below can act as a guide or checklist:
It should be noted that bomb threats or any other threat can be posted on social media platforms. If a perceived threat is discovered via social media, it should be immediately brought to the attention of security or other staff. The same procedures remain in place regardless of how the threat is received.

Most phones can identify the number the call is originating from, record the number and give it to security.

1. Immediately notify the Director of Safety & Security or his designee. Who will determine the nature of the threat. The building video surveillance system should be used to verify the threat.
2. Call 911 by Director of Safety & Security, designee or any member of the Crisis Management Team, whichever is most expeditious.
3. Crisis Team notification towards a determination of an evacuation procedure, if required.
4. Do not use cellular telephones or two-way radios during crisis.
5. Any emergency announcement should describe what directions are to be followed. In conjunction with the emergency announcement (overhead paging system), the mass communication system should be activated with specific information that informs people inside our buildings and outside of the buildings.

**Bomb Threat Checklist**

Questions to ask the caller:

- When is the bomb to explode?
- Where is the bomb right now?
- What does it look like?
- What kind of bomb is it?
- What will cause it to explode?
- Did you place the bomb?
- Why?
- Who are you?

Take note of the following
Sex of caller
Age of the caller
Callers race
Length of call

If the voice is familiar, who does it sound like?
Fire

As a rule, leave the building in an orderly manner. Walk, don't run. See Fire Safety Plan.

Biological /Hazardous Materials, Chemical Spills

1. Notify Security / Management Team, Maintenance team - Call 911
2. Activation of mass communication system/ Be guided by FDNY, D.E.P
3. Shut down heating, air conditioning units and ventilation units.
4. Close all windows, doors and roll down gates if warranted.
5. If the threat is outside, keep everyone inside.
6. If the threat is inside, relocate to a "safe zone".
7. Isolate and confine anyone believed exposed.
8. Identify a de-contamination area/room with running water only after conferring with emergency responders
   - In most cases decontamination areas are set up by responding agencies in an area deemed safe. Mobile decontamination units are commonly used by responding City agencies and should be used before contaminating other parts of the building.

Death at College

1. Notify Security Director, Crisis Management Team
2. Call 911
3. Administer first aid and (or) CPR until qualified medical personnel arrive.

   **Every effort should be made to have EMS remove an aided patient to a hospital. The Director of Security or Member of the Crisis team will request the presence of an NYC EMS supervisor should this situation present itself.

4. Do not disturb the scene, Police follow up might be warranted.
5. Notification to nearest relative or family should be done on a case-by-case basis. The security director with consultation with NYPD Detectives will determine family notification.
6. A faculty member or competent authority should remain with the deceased unless instructed otherwise.
7. Press inquiries must be referred to Public Relations or The Chief Operating Officer
8. Activate counseling services.
Tornado/Hurricane

1. Crisis Management Team/Security Director will determine severity of alert after conferral with local officials including DEP, FDNY, NYPD and NYC.OEM. Although Hurricanes and Tornadoes are not common in the NYC area. All efforts will be made to close the College prior to one of these events occurring.

2. Overhead announcement/ Rave Alert system activated.

3. Account for all students and staff.

4. Maintain "shelter in place" until "all clear" is issued by a responsible authority.

5. Do not re-enter any damaged area.

6. If evacuation is required, move in an orderly manner to the identified "safe zones".

Snowstorm/Transit Strike

Any weather conditions or transit events that impact the ability of students and employees to travel to the college and clinic safety will be reviewed by the Chief Operating Officer Joel Sturm and Dean Michael Trepal in a timely manner. The Team's conclusion will be posted on www.nycpcm.edu. Additionally, on the back of your ID card is an emergency number, (212) 420-8012, you may call for updates.

NEW YORK COLLEGE OF PODIATRIC MEDICINE
DRUG AND CONTROLLED SUBSTANCES POLICY

1.0 POLICY

The United States Department of Education has issued regulations implementing the provisions of The Drug-Free Schools and Communities Act Amendments of 1989 (Public Law 101-226). In compliance with Federal Law and New York State Law, this policy includes information to ensure that all members of the New York College of Podiatric Medicine ("NYCPM") Community are aware of the dangers of substance abuse and to outline the sanctions for violating this policy.

The New York College of Podiatric Medicine prohibits the illegal and irresponsible use of alcohol and other drugs, including abuse of prescription drugs, in accordance with all applicable federal, state, and local laws. Students, faculty and staff who distribute or use illegal drugs or illicitly use drugs which would otherwise be legal, while on NYCPM campus and facilities, or as part of any NYCPM activities, are violating Federal Laws, New York State Laws, and the policies and procedures of NYCPM. Violations of federal and state laws may lead to prosecution and criminal sanctions, including, but not limited to, fines and/or imprisonment.

NYCPM may provide confidential referral services to students, faculty and staff with drug and/or alcohol problems. These services are available through the Dean of Student Services. All inquiries and requests for assistance will be handled with confidentiality.

2.0 PURPOSE

NYCPM seeks to safeguard the health and well-being of all members of NYCPM: students, faculty and staff. All members of NYCPM are accountable to know the law and to understand the policies and procedures of NYCPM.

3.0 PUBLIC EDUCATION STATEMENT ON ILlicit DRUG AND ALCOHOL USE

In order to better educate students, faculty and staff, NYCPM wishes to provide all members of NYCPM with an education of the effects of substance abuse. The mind-altering substances to be discussed here are: marijuana, cocaine, heroin (and their derivatives); amphetamines (uppers); barbiturates (downers); hallucinogens; and alcohol. Many individuals take such drugs to escape from their problems; but doing so only creates more problems.

What are some of the health problems associated with drugs?

- The most obvious problems are death or severe organ damage (such as heart attack, respiratory arrest, damage to the liver and lungs, and stroke).
The less obvious, though much more prevalent, problems of the mind and body are as follows:

- **Marijuana**: Can cause short-term effects such as slow reflexes; increase in forgetfulness; alters judgment of space and distance; aggravate pre-existing heart and/or mental health problems; long-term health effects include permanent damage to lungs, reproductive organs and brain function; Can interfere with physical, psychological, social development of young users.

- **Cocaine** (Crack): Can cause short-term effects such as impaired judgment; increased breathing, heart rate, heart palpitations; anxiety, restlessness, hostility, paranoia, confusion; long-term effects may include damage to respiratory and immune systems; malnutrition, seizures and loss of brain function; highly addictive.

- **Hallucinogens** (PCP, LSD, ecstasy, DXM): Can cause extreme distortions of what's seen and heard; induces sudden changes in behavior, loss of concentration and memory; increases risk of birth defects in user's children; overdose can cause psychosis, convulsions, coma and death. Frequent and long-term use can cause permanent loss of mental function.

- **Inhalants** (nitrous oxide, amyl nitrite, butyl nitrite, chlorohydrocarbons, hydrocarbons): Can cause short-term effects such as nausea, dizziness, fatigue, slurred speech, hallucinations or delusions; may lead to rapid and irregular heart rhythms, heart failure and death; long-term use may result in loss of feeling, hearing and vision; can result in permanent damage to the brain, heart, lungs, liver and kidneys.

- **Opiates/Narcotics** (heroin, morphine, opium, codeine, oxycodone, china white): Can cause physical and psychological dependence; overdose can cause coma, convulsions, respiratory arrest and death; long term use leads to malnutrition, infection and hepatitis; sharing needles is a leading cause of the spread of HIV and hepatitis; highly addictive, tolerance increases rapidly.

- **Sedatives**: Can cause reduced reaction time and confusion; overdose can cause coma, respiratory arrest, convulsions and death; withdrawal can be dangerous; in combination with other controlled substances can quickly cause coma and death; long-term use can produce physical and psychological dependence; tolerance can increase rapidly.

- **Tobacco** (cigarettes, cigars, chewing tobacco): Can cause diseases of the cardiovascular system, in particular smoking being a major risk factor for a myocardial infarction (heart attack), diseases of the respiratory tract such as Chronic Obstructive Pulmonary Disease (COPD) and
emphysema, and cancer, particularly lung cancer and cancers of the larynx and mouth; nicotine is highly addictive.

- Alcohol: Can cause short-term effects such as loss of concentration and judgment; slowed reflexes; disorientation leading to higher risk of accidents and problem behavior; long-term effects include risk of liver and heart damage, malnutrition, cancer and other illnesses; can be highly addictive to some persons.

**Warning! AIDS:** Users of needles who take any drugs run a high risk of contracting AIDS and hepatitis.

**Warning! Addiction:** This is the common denominator for all mind-altering substances. With its insidious onset, addiction often goes undetected until the user’s life is in chaos. Addiction pervades one’s life, overpowering one’s ability to reason and to relate to others. Addiction ruins the user’s life and the lives of those around him/her.

### 4.0 Disciplinary Standards for Possessing, Using, Distributing and/or Selling Drugs & Controlled Substances

For students:

It is the policy of NYCPM, as stated in the Student Handbook, that the unlawful use, possession, distribution, or manufacture of drugs or controlled substances on NYCPM property is strictly prohibited. Individuals who possess use, distribute or manufacture drugs or controlled substances are subject to disciplinary action, including but not limited to expulsion, as well as possible criminal prosecution. Students found in violation of these policies may be subject to disciplinary proceedings as outlined in the school catalogs and student handbooks. Student violators may be subject to the following sanctions and remedial measures:

<table>
<thead>
<tr>
<th>Nature of Violation</th>
<th>Responses for First-Time Violations May Include, But Are Not Limited To:</th>
<th>Responses for Repeat Violations May Include, But Are Not Limited To:</th>
</tr>
</thead>
</table>
| Possession or use of alcohol or other drugs in violation of NYCPM policy or federal, state, or local law | - Warnings  
- Disciplinary Probation  
- Counseling and treatment  
- Service to the college community                                                                 | - Disciplinary Probation  
- Mandatory referral for counseling and treatment  
- Suspension from NYCPM sponsored housing)  
- College-Level disciplinary action                                                                 |
NYCPM uses the following definitions for the above sanctions:

- **Possession**: Illegal holding or controlling of alcohol, drugs, or associated paraphernalia.
- **Use**: Illegal personal use of alcohol or drugs.
- **Abuse**: Repeated illegal use of alcohol or drugs, or use accompanied by other behavior, including but not limited to:
  - Disorderly, disruptive, or aggressive behavior that interferes with the well-being, safety, security, health, or welfare of the community and/or the regular operations of NYCPM
  - Engaging in or threatening to engage in any behavior that endangers the health, safety, or well-being of oneself, another person, or property
  - Physical violence (actual or threatened) against any individual or group of persons
- **Distribution**: Illegal sale, exchange, or giving of alcohol or other drugs to one or more persons. Factors to consider when determining NYCPM’s response include, but are not limited to:
  - Health and wellness of the responsible student
  - NYCPM’s interests
  - Impact on the NYCPM community
  - Type, quantity, and packaging of the substance
  - Number of persons to which the substance was distributed
  - Amount of revenue associated with the distribution
  - Existence of any other aggravating or extenuating circumstances

- **Warning**: A written reprimand putting the student on notice that he/she has violated the Personal Conduct Policy and indicating that further misconduct may result in a more severe disciplinary action. A copy of this warning is placed in the student's folder.
- **Probation**: A student may be placed on disciplinary probation for a definite period of time. While on probation, students may not represent NYCPM in
any capacity. Further violations while on probationary status will result in suspension or expulsion from NYCPM.

- **Counseling and Treatment:** A student’s continued enrollment at NYCPM may be conditioned on his/her participation in counseling or treatment at outside counseling and treatment agencies. A student’s failure to participate in such a program after being advised that his/her enrollment is conditional upon it, may result in other disciplinary sanctions.

- **Legal Action:** The administration may recommend that students be turned over to law enforcement authorities for legal action. The final decision on referring student cases to the authorities is made by the Office of the Dean or COO.

**College-Level Sanctions:**

- **Service to College Community:** Student must complete a designated number of hours of service to the NYCPM community. Service hours cannot interfere with the individual’s course schedule.

- **Disciplinary Probation:** Exclusion from participation in specified privileges or NYCPM programs and activities as set forth in the notice of disciplinary probation for a designated period of time.

- **Restitution:** A student may be required to pay restitution to NYCPM or to fellow students for damages and losses resulting from his/her actions.

- **Suspension:** At any time during a student’s enrollment at NYCPM he/she may be suspended and barred from attending classes for a definite period, not to exceed two years. Notification of the suspension will appear on the student’s academic transcript and will remain until the end of the suspension period. A notification of the suspension will remain in the student’s file. A student may not be automatically enrolled at the end of his suspension he/she must apply to the office of the Dean for re-enrollment.

- **Expulsion:** This is termination of the student’s enrolled status at the college. A student who is expelled from the college is not permitted to complete his courses and may not re-register for a future semester. Notification of the expulsion will appear on the student’s academic transcript.

**For faculty and staff members:**

Each faculty and staff member of NYCPM is expected to abide by NYCPM’s policies for maintaining a drug-free workplace. The policy statement on drug abuse pertaining to students also applies to faculty and staff. Furthermore, all faculty and staff are required to notify the appropriate Dean of any criminal conviction relating to his or her own drug activity within five (5) days of such conviction. Faculty and staff (part-time or full-time) who violate NYCPM policies on drugs and controlled substances may be subject to disciplinary sanctions, or other sanctions, as follows (sanctions need not be progressive):
- **Censure:** A written reprimand, outlining the violation(s) of NYCPM's policies, may be placed in the personnel file of individual violators.
- **Probation:** Faculty and/or staff may be placed on probation for a definite period of time up to a maximum of one year. In such instances, individuals may be required to enroll in a therapeutic counseling or treatment program.
- **Suspension:** Faculty and/or staff may be suspended from employment without pay for a period of time ranging from seven days to a maximum of one year.
- **Termination of Employment:** Faculty and/or staff may be dismissed from employment upon written notice by Vice President for Administration, and/or the Chief Academic Officer.
- **Legal Action:** Faculty and/or staff may be turned over to law enforcement authorities for criminal prosecution and legal action.

In both cases for students and faculty and staff, the existence of a tiered system of disciplinary sanctions measures does not preclude NYCPM from levying a heavy sanction, without first resorting to a lesser sanction. By way of illustration and not exclusion, NYCPM may expel a student or terminate a staff member for a violation of policy without first issuing a warning or putting that student or employee on probation.

### 5.0 REGULATIONS ON ALCOHOL USE/ABUSE

The following regulations apply to students, faculty and staff of NYCPM:

- The consumption of alcoholic beverages by individuals under the age of 21 is illegal.
- All persons are prohibited from consuming alcoholic beverages on the premises of NYCPM (unless at an event specifically sanctioned by NYCPM Administration in writing), to the level of inebriation or entering or remaining on NYCPM premises in an impaired state.
- Any faculty and/or staff member of NYCPM who provides alcohol to a minor on NYCPM premises shall be subject to full penalty under the laws of Illinois.
- Forcing any student or faculty member to consume alcohol and/or drugs for the purpose of initiation into or affiliation with any NYCPM sanctioned organization is not permitted.
- Treating or seeing patients at any NYCPM affiliated facility while impaired may cause an individual to be terminated and may lead to a hearing with regulatory agencies on their license to practice medicine.
- Alcoholism, while it may be a disability, does not excuse any faculty and/or staff member of NYCPM from violating a legitimate NYCPM policy or neglecting their responsibilities to NYCPM. Individuals whose work performance is impaired as a result of the use/abuse of alcohol may be required to participate in an appropriate evaluation/treatment program and may, in certain circumstances, lead to sanctions against that individual. If
you are an alcoholic, you may self-identify to the Dean of your campus or supervisor, as the case may be, and request confidential counseling and/or referral services to help with your problems. All inquiries and requests for assistance will be handled with strict confidentiality.

- NYCPM observes the culpability laws for serving drinks to the mentally-impaired and to individuals who are already inebriated. Some signs that may indicate if a person is inebriated may be the smell of alcohol on their clothes, impairment to speech, mood changes, slowed reflexes, or impairment of coordination.
- NOTE: Mothers who drink alcohol during pregnancy may give birth to infants with irreversible physical abnormalities and cognitive disabilities. Research shows that children of alcoholic parents are at greater risk.

6.0 CRIMINAL SANCTIONS FOR ALCOHOL MISUSE

Persons giving or selling alcohol to someone under 21 years of age are committing a misdemeanor or possible felony crime punishable in New York State.

If you are under the age of 21, you are prohibited from possessing alcoholic beverages with the intent to consume them.

7.0 SUBSTANCE ABUSE SELF-IDENTIFICATION AND AMNESTY

NYCPM recognizes that, sometimes, there may be health or safety emergencies related to the use of drugs or alcohol in which the potential for disciplinary action by NYCPM may deter students who want to seek assistance for themselves or for another member of the NYCPM community. In such instances, the health and safety of the at-risk student will be NYCPM’s top priority. Therefore, should a student, or another individual on behalf of that student, voluntarily come forward seeking assistance in a situation involving the over-consumption or abuse of drugs and/or alcohol, NYCPM’s student conduct response to the over-consumption/abuse will be, first and foremost, focused on medical treatment, counseling, and/or educational interventions. However, NYCPM reserves the right to address any associated acts that compromises the well-being of its community and its members, such as harassment, violence, damage, harm to self or others, or distribution of illegal substances, on a case-by-case basis as deemed appropriate and necessary.

Reporting a Personal Concern: Students who have concerns about their use of alcohol and/or other drugs, or students who are concerned of such use by a friend, are encouraged to seek assistance through one of NYCPM’s support services. Confidentiality in these circumstances may be protected in compliance with NYCPM policy and applicable law (e.g. FERPA, HIPPA, etc.).

8.0 SUBSTANCE ABUSE COUNSELING
Many different mutual and self-help programs are available near NYCPM. Although most programs are abstinence-based and follow the 12-step approach, there are also programs that support moderation and a goal and/or do not use 12 steps. Some of the programs listed below may have a religious affiliation, others may merely use spirituality as part of the program. Meeting times and locations are available upon contacting the corresponding phone numbers or websites. Each meeting is somewhat different from any other, even within the same program, both in terms of structure and participants. Many people find it helpful to explore different options.

9.0 IMPLEMENTATION

This policy shall be implemented by the Vice President for Administration and the Chief Academic Officer.

10.0 APPROVAL

This policy has been approved by the Chief Operating Officer and the Office of the Dean.
1.0 POLICY

The Touro University System, specifically: Touro University, Touro University California, Touro University Nevada, New York Medical College and Hebrew Theological College (hereinafter collectively referred to as “Touro”), seek to maintain a safe learning, living, and working environment for all members of its community. In addition, as individual educational institutions, Touro subscribes to all federal, state, and institutional laws and regulations necessary to ensure that goal.

Title IX of the Educational Amendments of 1972 prohibits any person in the United States from being discriminated against on the basis of sex in seeking access to any educational program or activity receiving federal financial assistance. The U.S. Department of Education, which enforces Title IX, has long defined the meaning of Title IX’s prohibition on sex discrimination broadly to include various forms of sexual harassment and sexual violence that interfere with a student’s ability to equally access our educational programs and opportunities.

On May 19, 2020, the U.S. Department of Education issued a Final Rule under Title IX of the Education Amendments of 1972 that:
- Defines the meaning of “sexual harassment” (including forms of sex-based violence)
- Addresses how this institution must respond to reports of misconduct falling within that definition of sexual harassment, and
- Mandates a grievance process that this institution must follow to comply with the law in these specific covered cases before issuing a disciplinary sanction against a person accused of sexual harassment.

Based on the Final Rule, Touro has implemented the following Title IX Grievance Policy as of the effective date of August 14, 2020.

As such, this policy is meant to work in harmony with other applicable Touro policies and procedures that address sexual and discriminatory misconduct. In the event that the alleged violation falls within the scope of Title IX, this policy serves as the operating process for
addressing the violation while also subscribing to any regulations or reporting requirements of other federal and state laws addressed in the Touro Sexual Misconduct Policy.

11.0 PURPOSE

All divisions of Touro seek to foster a collegial atmosphere where students are nurtured and educated through close faculty-student relationships, student camaraderie, and individualized attention. Sexual Harassment of any kind, is detrimental to Touro’s mission, history, and identity. Touro will resolve any Covered Sexual Harassment in a timely and effective manner. Compliance with Touro’s policies and procedures is a necessary step in achieving a safe environment in our educational community.

The policy set forth were developed to promote a safe educational environment in compliance with Final Rule under Title IX of the Educational Amendments of 1972. Those believing that they have been subject to Sexual Harassment, as defined in the Final Rules under Title IX, should immediately contact the Title IX Coordinator. When the Title IX Coordinator has received a Formal Notice of the occurrence, Touro is compelled to take immediate and effective corrective action reasonably calculated to stop the harassment, prevent its recurrence, and as appropriate, remedy its effects.

12.0 SCOPE

This policy applies to all members of Touro (including Touro University, Touro University California, Touro University Nevada, New York Medical College and Hebrew Theological College), including students, faculty, and administrators as well as third-parties (including, but not limited to, vendors, invitees, etc.).

This policy applies to events that occur in the United State in any on-campus premises, any off-campus premises that Touro has substantial control over or in any activity occurrence within computer and internet networks, digital platforms, and computer hardware or software owned or operated by, or used in the operations of Touro’s programs and activities over which Touro has substantial control.

13.0 PROCEDURES

4.1 HOW DOES THE TITLE IX GRIEVANCE POLICY IMPACT OTHER CAMPUS DISCIPLINARY POLICIES?

In recent years, “Title IX” cases have become a short-hand for any campus disciplinary process involving sex discrimination, including those arising from sexual harassment and sexual assault. But under the Final Rule, Touro must narrow both the geographic scope2 of its authority to act under Title IX and the types of “sexual harassment” that it must subject to its Title IX investigation and adjudication process. Only incidents falling within the Final Rule’s definition

---

2 The Title IX grievance process applies to the conduct of members of the Touro community, including students, employees, and third parties, who are located in the United States, and occurred in:
- Any on-campus premises
- Any off-campus premises that Touro has substantial control over. This includes buildings or property owned or controlled by a recognized student organization.
- Activity occurring within computer and internet networks, digital platforms, and computer hardware or software owned or operated by, or used in the operations of Touro’s programs and activities over which Touro has substantial control.
of sexual harassment will be investigated and, if appropriate, brought to a live hearing through the Title IX Grievance Policy defined below.

Touro remains committed to addressing any violations of its policies, even those not meeting the narrow standards defined under the Title IX Final Rule.

Specifically, our campus has:

- A **Code of Conduct** that defines certain behavior as a violation of campus policy, and a separate **Sexual Misconduct Policy** that addresses the types of sex-based offenses constituting a violation of campus policy, and the procedures for investigating and adjudicating those sex-based offenses.

To the extent that alleged misconduct falls outside the Title IX Grievance Policy, or misconduct falling outside the Title IX Grievance Policy is discovered in the course of investigating covered Title IX misconduct, the institution retains authority to investigate and adjudicate the allegations under the policies and procedures defined within the Code of Conduct or Sexual Misconduct Policy through a separate grievance proceeding.

The elements established in the Title IX Grievance Policy under the Final Rule have no effect and are not transferable to any other policy of the College for any violation of the Code of Conduct, employment policies, or any civil rights violation except as narrowly defined in this Policy. This Policy does not set a precedent for other policies or processes of the College and may not be cited for or against any right or aspect of any other policy or process.

### 4.2 GENERAL RULES OF APPLICATION

**Effective Date**

This Title IX Grievance Policy became effective on August 14, 2020, and only applies to formal complaints of sexual harassment alleged to have occurred on or after August 14, 2020. Alleged Conduct that occurred prior to August 14, 2020 will be investigated and adjudicated according to the Title IX and Sexual Misconduct Policy then in effect.3

**Revocation by Operation of Law**

Should any portion of the Title IX Final Rule, 85 Fed. Reg. 30026 (May 19, 2020), be stayed or held invalid by a court of law, or should the Title IX Final Rule be withdrawn or modified to not require the elements of this policy, this policy, or the invalidated elements of this policy, will be deemed revoked as of the publication date of the opinion or order and for all reports after that date, as well as any elements of the process that occur after that date if a case is not complete by that date of opinion or order publication. Should the Title IX Grievance Policy be revoked in this manner, any conduct covered under the Title IX Grievance Policy shall be investigated and adjudicated under the existing Code of Conduct, Sexual Misconduct Policy or any other relevant policy.

**How does the Title IX Grievance Policy impact the handling of complaints?**

---

3 This specific provision may be subject to additional guidance from OCR (if issued).
Our existing Title IX office and reporting structure remains in place. What has changed is the way our Title IX office will handle different types of reports arising from sexual misconduct, as detailed in full below.

### 4.3 MAKING A REPORT REGARDING COVERED SEXUAL HARASSMENT

Any person may report sex discrimination, including sexual harassment (whether or not the person reporting is the person alleged to be the victim of conduct that could constitute sex discrimination or sexual harassment), in person, by telephone, or by electronic mail, using the contact information listed for the Title IX Coordinator, or by any other means that results in the Title IX Coordinator receiving the person’s verbal or written report.

4.4 INITIAL ASSESSMENT

Note: Until it is determined whether the alleged misconduct falls under the Title IX policy, Touro’s Sexual Misconduct policy, or other relevant policy or procedure the “Responsible Administrator” can be the Title IX Coordinator, Compliance Officer or any other individual designated to investigate claims. When a determination is made such that the alleged misconduct meets the relevant requirements under the Title IX policy, only the term Title IX Coordinator will be used. In addition, an individual who makes a report of alleged misconduct is referred to as the “Potential Complainant” until he or she makes a written, formal complaint, as required by the Title IX regulations, at which point only the term “Complainant” will be used under this Title IX Grievance policy.

Whenever the Responsible Administrator receives notice of alleged misconduct, they will promptly contact the Potential Complainant regarding the alleged misconduct for an initial assessment. At that point, the Responsible Administrator will (in no particular order):

- assess the nature and circumstances of the report;
- assess immediate concerns including physical safety and emotional well-being of the Potential Complainant;
- discuss the Potential Complainant’s right to contact law enforcement and right to seek medical treatment;
- provide the Potential Complainant information about resources (on-campus and off-campus) and the availability of appropriate and supportive measures;
- advise on Touro’s policy regarding confidentiality and retaliation; and

- explain the process and requirements for filing a formal complaint under Title IX.

By law, a formal written complaint must be made before the Title IX process can begin. Before a Potential Complainant can file a formal complaint under Title IX, the Responsible Administrator will determine whether:

- the alleged misconduct can be classified under Title IX;
- the Title IX Coordinator has the ability to file a formal complaint on behalf of the Potential Complainant;
- the alleged misconduct should be handled under a separate college policy or procedure.

4.5 **NON-INVESTIGATOR MEASURES AVAILABLE UNDER THE TITLE IX GRIEVANCE POLICY**

**Supportive Measures**
Complainants (as defined above), who report allegations that could constitute covered sexual harassment under this policy, have the right to receive supportive measures from Touro regardless of whether they desire to file a complaint. Supportive measures are non-disciplinary and non-punitive and may include, but are not limited to, the following as appropriate:

- Counseling
- extensions of deadlines or other course-related adjustments
- modifications of work or class schedules
- campus escort services
- restrictions on contact between the parties (no contact orders)
- changes in work or housing locations
- leaves of absence
- increased security and monitoring of certain areas of the campus

**Emergency Removal**

Touro retains the authority to remove a respondent from Touro program or activity on an emergency basis, where Touro (1) undertakes an individualized safety and risk analysis and (2) determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of covered sexual harassment justifies a removal.

If Touro determines such removal is necessary, the respondent will be provided notice and an opportunity to challenge the decision immediately following the removal.

**Administrative Leave**

Touro retains the authority to place a non-student employee respondent on administrative leave during the Title IX Grievance Process.

4.6 **DETERMINATION OF TITLE IX RESPONSE**

**Definition of Sexual Harassment**

If a complaint is to be addressed under Title IX, the alleged misconduct must first meet the definition of Covered Sexual Harassment, as defined under Title IX, which includes any conduct on the basis of sex that satisfies one or more of the following:
• An employee conditioning educational benefits on participation in unwelcome sexual conduct (i.e., quid pro quo);
• Unwelcome conduct that a reasonable person would determine is so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the educational institution's education program or activity;
• Sexual assault (as defined in the Clery Act), which includes any sexual act directed against another person, without the consent of the victim including instances where the victim is incapable of giving consent;
• Dating violence (as defined in the Violence Against Women Act (VAWA) amendments to the Clery Act), which includes any violence committed by a person: (A) who is or has been in a social relationship of a romantic or intimate nature with the victim; and (B) where the existence of such a relationship shall be determined based on a consideration of the following factors: (i) The length of the relationship; (ii) The type of relationship; (iii) The frequency of interaction between the persons involved in the relationship.
• Domestic violence (as defined in the VAWA amendments to the Clery Act), which includes any felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under applicable state and local domestic or family violence laws or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the State or local jurisdiction.
• Stalking (as defined in the VAWA amendments to the Clery Act), meaning engaging in a course of conduct directed at a specific person that would cause a reasonable person to--(A) fear for their safety or the safety of others; or (B) suffer substantial emotional distress.

Note that conduct that does not meet one or more of these criteria may still be prohibited under the Touro Code of Conduct or other relevant policy.

If the alleged misconduct meets the Title IX definition of Sexual Harassment provided above, the Title IX grievance process below then applies to the conduct of members of the Touro community, including students, employees, and third parties, who are located in the United States, and occurred in:

• Any on-campus premises
• Any off-campus premises that Touro has substantial control over. This includes buildings or property owned or controlled by a recognized student organization.
• Activity occurring within computer and internet networks, digital platforms, and computer hardware or software owned or operated by, or used in the operations of Touro’s programs and activities over which Touro has substantial control.

For Avoidance of doubt, the Title IX process will apply when all of the following elements are met, in the reasonable determination of the Responsible Administrator:
1. The conduct is alleged to have occurred on or after August 14, 2020;
2. The conduct is alleged to have occurred in the United States;
3. The conduct is alleged to have occurred in Touro’s education program or activity; and
4. The alleged conduct, if true, would constitute covered sexual harassment as defined in this policy.

If the alleged misconduct meets these requirements, then the Title IX grievance process applies and the Potential Complainant may file a Formal Complaint or their prior Complaint submission will become a Formal Complaint.

If the alleged misconduct does not meet these Title IX requirements, it requires a mandatory dismissal under Title IX, but it may be addressed by the broader Touro Sexual Misconduct Policy or another applicable Touro policy. In the event of a dismissal, the Responsible Administrator will provide written reasoning for the dismissal determination to the Potential Complainant with information on how to appeal, if desired.

4.7 DISMISSAL OF COMPLAINTS

Under Title IX, there are instances when complaints are dismissed. These dismissals fall into two categories: (1) mandatory dismissals and (2) discretionary dismissals.

Mandatory Dismissal
A mandatory dismissal occurs in the event that the conduct:
(1) is alleged to have occurred before August 14, 2020;
(2) does not meet the Title IX definition of Sexual Harassment;
(3) did not occur in Touro’s education program or activity; or
(4) did not occur against a person in the United States.

If any of these three situations are present, then Touro must dismiss the complaint under Title IX. Touro will provide notice of dismissal to the Parties, including information on how to appeal the dismissal. At the same time, if applicable, the alleged conduct may be addressed under another Touro policy.

Discretionary Dismissal
A discretionary dismissal may occur in a few situations:
(1) the Complainant wishes to withdraw or does not submit the formal complaint,
(2) the Respondent is no longer enrolled at or employed by Touro, or
(3) the specific circumstances prevent Touro from gathering sufficient evidence to investigate or make a determination toward the allegations; or
(4) Does not follow the process or protocols established in this Title IX Grievance policy.

In these events, Touro may choose to dismiss the complaint. Touro will provide notice of the dismissal to the parties currently involved and information on how to appeal the dismissal.

4.8 FORMAL COMPLAINT

Filing a Formal Complaint

If the alleged misconduct meets the Title IX requirements, the Responsible Administrator cedes responsibility of the Title IX complaint process to the Title IX Coordinator. The Title IX

4 The Responsible Administrator role shall no longer be used once a determination of the appropriate process has been made. If the Title IX Coordinator was previously serving as the Responsible Administrator, the individual shall continue with the process.
Coordinator will then advise the Potential Complainant on the process to proceed with a Formal Complaint.

For the purposes of this Title IX Grievance Policy, “Formal Complaint” means a document – including an electronic submission - filed by a Complainant with a signature or other indication that the complainant is the person filing the formal complaint, or signed by the Title IX Coordinator, alleging sexual harassment against a respondent about conduct within Touro’s education program or activity and requesting initiation of the procedures consistent with the Title IX Grievance Policy to investigate the allegation of sexual harassment.

The timeframe for the Title IX Grievance Process begins with the filing of a Formal Complaint. The Grievance Process will be concluded within a reasonably prompt manner, provided that the Process may be extended in situations that include but are not limited to, the absence of a party, a party’s Process Support Person, or a witness; concurrent law enforcement activity; or the need for language assistance or accommodation of disabilities.

To file a Formal Complaint, a Complainant must provide the Title IX Coordinator a written, signed complaint describing the facts alleged. Complainants are only able to file a Formal Complaint under this Policy if they are currently participating in, or attempting to participate in, the education programs or activities of Touro, including as an employee. For complainants who do not meet this criteria, the College will utilize existing policy in the Code of Conduct, Sexual Misconduct Policy or any other relevant policy.

If a Potential Complainant chooses not to file a Formal Complaint and the matter is determined to fall under Title IX, the Title IX Coordinator may, in their sole discretion, choose to file a Formal Complaint on the individual’s behalf. The Title IX Coordinator must determine that failure to file the Formal Complaint would be clearly unreasonable and not in the best interests of the Touro community. Touro will inform the complainant of this decision in writing, and the complainant need not participate in the process further but will receive all notices issued under this Policy and Process.

Nothing in this Title IX Grievance Policy or the Code of Conduct, Sexual Misconduct Policy or any other Touro policy prevents a complainant from seeking the assistance of state or local law enforcement alongside the appropriate on-campus process.

**Notice of Formal Complaint**

If a Potential Complainant chooses to file a Formal Complaint in a Title IX matter, their status will be adjusted to Complainant. Touro will provide, to a party whose participation is invited or expected, written notice of the date, time, location, participants, and purpose of all hearings, investigative interviews, or other meetings with a party, with sufficient time for the party to prepare to participate. The notice of the Formal Complaint will be sent promptly to all relevant parties, as soon as practicable, after the institution receives a Formal Complaint of the allegations if there are no extenuating circumstances, which includes:

- the identities of the parties involved in the alleged incident, if known;
- the alleged conduct constituting Sexual Harassment;
- the date and location of the alleged incident, if known;
- the prospective grievance process and next steps;
• a statement that the Respondent is presumed not responsible for the alleged conduct until a determination regarding responsibility is made at conclusion of the grievance process;
• a statement informing both parties that they may choose a Process Support Person, who will be their advisor, who may be, but is not required to be an attorney;
• any measures taken by Touro that affects both parties;
• a notice informing parties of any provisions of other Touro policies that prohibit knowingly making false statements, or knowingly submitting false information; and
• a notice of Touro’s retaliation policy.

The parties will be notified by their institutional email accounts if they are a student or employee, and by other reasonable means if they are neither.

After notice of the Formal Complaint has been received by both parties, and Touro has provided sufficient time for the parties to review the Notice of Allegations and prepare a response before any initial interview, the Title IX Coordinator, or their designee, will initiate the Title IX informal review process or investigation process.

4.9 INFORMAL RESOLUTION PROCESS

At any time after a Formal Complaint is filed, the Title IX Coordinator or their designee may, in their discretion, choose to offer and facilitate an Informal Resolution process, so long as both Parties give voluntary, informed, written consent to attempt Informal Resolution. Touro may not require the Parties to participate in an Informal Resolution process or require as a condition of enrollment or continuing enrollment, or employment or continuing employment, or enjoyment of any other right, waiver of the right to a formal investigation and adjudication of Formal Complaints of Title IX Prohibited Conduct. Any person who facilitates an Informal Resolution will be experienced and trained in dispute resolution and trained on this Title IX Procedure.

Withdrawing from an Informal Resolution Process
At any time prior to agreeing to an Informal Resolution, any Party has the right to withdraw from the Informal Resolution process and resume the process with respect to the Formal Complaint.

Matters Not Eligible for Informal Resolution

• No Informal Resolution process will be offered before a Formal Complaint is filed.
• No Informal Resolution process will be offered to resolve Formal Complaints involving a student as Complainant and a staff or faculty member as Respondent.

4.10 INVESTIGATION

General Rules of Investigations

The Title IX Coordinator and/or an investigator designated by the Title IX Coordinator will perform an investigation under a reasonably prompt timeframe of the conduct alleged to constitute Covered Sexual Harassment under Title IX after issuing the Notice of Allegations.

Touro cannot access, consider, or disclose medical records without a waiver from the party (or parent, if applicable) to whom the records belong or of whom the records include information. Touro will provide an equal opportunity for the parties to present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence, (i.e. evidence that tends to prove and disprove the allegations) as described below.
Process

As a first step in the investigation process, a Title IX Investigator will be designated to conduct a prompt, thorough, and impartial investigation into the alleged conduct identified in the Formal Complaint.

The Title IX Investigator will, at a minimum, interview both the Complainant and the Respondent who will each have an equal opportunity to:
- speak about the complaint;
- to submit any inculpatory or exculpatory evidence or information; and
- to identify witnesses who may have information directly related to the alleged conduct.

The Title IX Investigator may also interview any relevant witnesses and interested parties, and re-interview the Complainant or Respondent, if appropriate.

Both parties may also have a Process Support Person of their choice present with them during any phase of the investigation. Touro may, at its discretion, establish restrictions on a Process Support Person's participation. The restrictions must apply equally to both parties including, but not limited to, barring a Process Support Person's participation during the interview process.

Relevant Evidence and Questions

"Relevant" evidence and questions refer to any questions and evidence that tends to make an allegation of sexual harassment more or less likely to be true.

"Relevant" evidence and questions do not include the following types of evidence and questions, which are deemed "irrelevant" at all stages of the Title IX Grievance Process:

- Evidence and questions about the complainant’s sexual predisposition or prior sexual behavior unless:
  - They are offered to prove that someone other than the respondent committed the conduct alleged by the complainant, or
  - They concern specific incidents of the complainant’s prior sexual behavior with respect to the respondent and are offered to prove consent.
- Evidence and questions that constitute, or seek disclosure of, information protected under a legally-recognized privilege (e.g., attorney-client privilege).
- Any party’s medical, psychological, and similar records unless the party has given voluntary, written consent.

Investigation – Review of Information

Upon completion of the investigation, but prior to completing the investigative report, the Title IX Investigator will provide both the Complainant and Respondent evidence and information gathered directly related to the alleged misconduct in the Formal Complaint. The evidence and information will be provided in a manner equally accessible to both parties.

---

Touro is not obligated to provide a Process Support Person to either party at the investigation stage of the Title IX process.
Both parties will then be given a ten (10) business day review period to examine the evidence and information. At the conclusion of the ten (10) business day review period, each party has the right to submit a written response to the Title IX Investigator commenting on the evidence and information that can be considered before completing the draft investigative report.

**Inspection and Review of Evidence**

Prior to the completion of the investigation, the parties will have an equal opportunity to inspect and review the relevant evidence obtained through the investigation. The purpose of the inspection and review process is to allow each party the equal opportunity to meaningfully respond to the evidence prior to conclusion of the investigation.

Evidence that will be available for inspection and review by the parties will be any evidence that is directly related to the allegations raised in the Formal Complaint. It will include any:

1. Evidence that is relevant, even if that evidence does not end up being relied upon by the institution in making a determination regarding responsibility;
2. Inculpatory or exculpatory evidence (i.e. evidence that tends to prove or disprove the allegations) that is directly related to the allegations, whether obtained from a party or other source.

All parties must submit any evidence they would like the investigator to consider prior to when the parties' time to inspect and review evidence begins.

**Investigation – Investigative Report**

After both parties have had an opportunity to review directly related evidence and information, the Title IX Investigator will then draft an investigative report that compiles and fairly summarizes all of the relevant evidence.

The Investigative Report is not intended to catalog all evidence obtained by the investigator, but only to provide a fair summary of that evidence.

Only relevant evidence (including both inculpatory and exculpatory – i.e. tending to prove and disprove the allegations - relevant evidence) will be referenced in the Investigative Report.

The investigator may redact irrelevant information from the Investigative Report when that information is contained in documents or evidence that is/are otherwise relevant.

Both the Complainant and Respondent will then be given a ten (10) business day review period to examine the draft of the investigative report. At the conclusion of the ten (10) business day review period, each party has the right to submit a written response to the Title IX Investigator to comment on the investigative report.

The Title IX Investigator will prepare the final investigative report for the adjudication phase of the grievance process.

**Confidentiality/Destruction of Evidence, Information and Documents**

Each Party is responsible to keep private (by not disseminating beyond Support Persons) documents, materials, and information received from Touro during this process. Failure to
comply will be considered a violation of Touro policy and may incur separate sanctions. Additionally, The responsibility to destroy, when so directed by Touro, evidentiary materials and/or writings submitted by the other Party as party of the process.6

4.11 DECORUM AND PERMISSIVE CONDUCT OF PROCESS SUPPORT PERSON

Both the Complainant and Respondent have the right to choose a Process Support Person. The Process Support Person will be the advisor of choice for such Party.

Touro has a long-standing practice of requiring students to participate in the process directly and not through an advocate or representative. Students participating as Complainant or Respondent in this process may be accompanied by a Process Support Person of choice to any meeting or hearing to which they are required or are eligible to attend.

While all parties involved in the Title IX grievance process may have a Process Support Person present (including at investigative interviews and scheduled live hearings) and, aside from questioning parties or witnesses during the live hearing, a Process Support Person may not actively participate at any other point in the process. Any Process Support Person who violates these expectations may not be permitted to participate further in the process. All questioning by the parties must be conducted through a Process Support Person.

Touro will not intentionally schedule meetings or hearings on dates where the Process Support Person of choice for all parties are not available, provided that the Process Support Person act reasonably in providing available dates and work collegially to find dates and times that meet all schedules.

Only one Process Support Person will be allowed to accompany a Party to meetings with Investigators or at the Hearing (including meetings that occur using technology, such as Zoom).

Each Party may elect to identify an attorney to serve as a Process Support Person. An attorney acting in this role has no different role in the process and serves in the same capacity as a non-attorney.

If a Party arrives at the Hearing without a Process Support Person, Touro will designate a Process Support Person to conduct the oral cross-examination on behalf of the Party. The oral cross-examination questions will be provided to the Process Support Person by the Party they are designated to assist. Touro is not obligated to provide a Process Support Person to either party at the investigation stage of the Title IX process. Additionally, any Process Support Person provided by Touro is solely provided for the purpose of asking questions requested by the party during the cross-examination stage of the Hearing. A Process Support Person provided by Touro does not represent either party in any legal, strategic or other advisory capacity and, as such, are not responsible for any outcomes or consequences related to their involvement. Under no circumstances, is any attorney-client, fiduciary or other duty-bound relationship formed by the Touro’s provision of a Process Support Person during the Hearing.

---

6 A Party or Witness may not distribute materials obtained through the process and may not engage in Retaliatory or Intimidating conduct aimed at any other participants in the process. Touro will investigate allegations of a person engaging in any of these prohibited acts. Touro recognizes, however, that it cannot otherwise prevent individuals from speaking openly about their experience and the Title IX process.
4.12 ADJUDICATION/HEARINGS

General Rules of Hearings

Touro will not issue a disciplinary sanction arising from an allegation of covered sexual harassment without holding a live hearing unless otherwise resolved through an informal resolution process.

The live hearing may be conducted with all parties physically present in the same geographic location, or, at Touro’s sole discretion, any or all parties, witnesses, and other participants may appear at the live hearing virtually through Zoom or other appropriate video conferencing tools available at the time. This technology will enable participants simultaneously to see and hear each other. At its discretion, Touro may delay or adjourn a hearing based on technological errors not within a party’s control.

All proceedings will be recorded through either recording and/or transcript. The choice of medium is at Touro’s sole discretion.

Prior to obtaining access to any evidence, the parties and their Process Support Person must sign an agreement not to disseminate any of the testimony heard or evidence obtained in the hearing or use such testimony or evidence for any purpose unrelated to the Title IX Grievance Process. Once signed, this Agreement may not be withdrawn. Failure to sign or adhere to this agreement may result in a negative inference against the party and the immediate withdrawal of that Process Support Person from the Title IX grievance process.

Notice of Hearing

Upon completion of the investigation, and after the investigative report is complete, the Complainant and Respondent will be notified in writing of:

- the date, time, and location of the live hearing;
- the applicable grievance process;
- that both Parties can have a Process Support Person of their choice;
- that they may inspect and review evidence obtained in the investigation;
- the allegations and conduct that potentially constitute Sexual Harassment;
- the identities of the Parties involved (if known); and
- the date and location of the alleged offense (if known).

Depending on the circumstances and, at the sole discretion of Touro, the hearing may be conducted in-person or virtually, but will always be conducted in real-time. Permission to postpone a hearing may be granted provided that the request to postpone is reasonable.

Prior to the scheduled hearing, a trained Decision-maker will be appointed to be the fact-finder of responsibility for the alleged conduct. The Title IX Investigator will provide the Decision-maker with the finalized investigative report for review prior to the hearing.
While the Complainant, Respondent and witnesses are expected to be present and fully participate in the hearing (including being subject to questioning by a Process Support Person), it is the right of any and all parties to choose not to participate in the hearing of the alleged conduct. In the event that any party chooses not to participate fully in the hearing process, their statements (including those made in the investigation stage) may not be considered in the Decision-maker’s determination of responsibility.

If the hearing is held in-person (not virtually), by request of either the Complainant or Respondent, questioning by a Process Support Person can be conducted in separate rooms with technology available that enables the other party to see and hear the questioning in real-time. The entire hearing will be recorded, either by electronic means or transcription. The recording will be made available, upon request, for inspection and review to both Parties. This recording will be kept on file by Touro in accordance with applicable rules and regulations.

**Continuances or Granting Extensions**

Touro may determine that multiple sessions or a continuance (i.e. a pause on the continuation of the hearing until a later date or time) is needed to complete a hearing. If so, Touro will notify all participants and endeavor to accommodate all participants’ schedules and complete the hearing as promptly as practicable.

**Before the Hearing**

Prior to the Hearing, each party will be required to submit any questions, that have not already been addressed in the investigation, that they wish to ask at the oral-cross examination to the Title IX Coordinator no later than twenty-four (24) hours before the Hearing is scheduled to begin.

The Title IX Coordinator will provide the questions to the Decision-maker, who will determine the relevancy of each of the questions. If deemed relevant, the question is permissible to be asked during the hearing. If the Decision-maker determines that a question is not relevant, they will provide a brief reasoning for that decision and the question will not be permitted to be asked during the Hearing. Parties may appeal the relevance determinations at the beginning of the Hearing. The Decision-Maker will endeavor to provide their relevancy determinations at least one hour prior to the Hearing, but no later than the commencement of the Hearing.

*Understanding Relevance:*

For these adjudications, the basic test for relevance is whether the question posed is probative to the question of responsibility. This includes a Process Support Person asking questions that addresses the credibility of the party. However, there are some topics that are presumptively never relevant unless an exception applies or a party has waived a privilege. These topics include questions and evidence:

- about the Complainant’s sexual predisposition or prior sexual behavior, unless offered to prove that someone other than the Respondent committed the alleged conduct;
- that concern specific incidents of the Complainant’s prior sexual behavior with respect to the Respondent, unless offered to prove consent;
- that would traditionally be protected by a legally recognized privilege (e.g., attorney-client privilege), unless the party has waived the privilege;
- in reference to a party’s psychological or medical records unless the party has given voluntary, written consent.
Participants in the Live Hearing

Live hearings are not public, and the only individuals permitted to participate in the hearing are as follows:

Complainant and Respondent (The Parties)
- The parties cannot waive the right to a live hearing.
- The institution may still proceed with the live hearing in the absence of a party, and may reach a determination of responsibility in their absence, including through any evidence gathered that does not constitute a “statement” by that party.
- Touro will not threaten, coerce, intimidate or discriminate against the party in an attempt to secure the party’s participation.
- If a party does not submit to cross-examination, the Decision-Maker cannot rely on any prior statements made by that party in reaching a determination regarding responsibility, but may reach a determination regarding responsibility based on evidence that does not constitute a “statement” by that party.
- The decision-maker cannot draw an inference about the determination regarding responsibility based solely on a party’s absence from the live hearing or refusal to answer cross examination or other questions.

The Decision-maker
- The hearing body will consist of a single Decision-Maker.
- The Decision-Maker will also not have served as the Title IX Coordinator, Title IX investigator, or Process Support Person to any party in the case, nor may the Decision-Maker serve on the appeals body in the case.
- The Decision-Maker will not have a conflict of interest or bias in favor of or against complainants or respondents generally, or in favor or against the parties to the particular case.
- The Decision-Maker will be trained on topics including how to serve impartially, issues of relevance, including how to apply the rape shield protections provided for complainants, and any technology to be used at the hearing.
- The parties will have an opportunity to raise any objections regarding a Decision-Maker’s actual or perceived conflicts of interest or bias at the commencement of the live hearing.

Process Support Person
- Both the Complainant and Respondent have the right to choose a Process Support Person. The Process Support Person will be the advisor of choice for such Party at the Hearing and may be, but does not have to be, an attorney. An attorney acting in this role has no different role in the process and serves in the same capacity as a non-attorney.
- The Process Support Person of choice may accompany the parties to any meeting or hearing they are permitted to attend, but may not speak for the party, except for the purpose of cross-examination.
- The parties themselves are not permitted to conduct cross-examination; it must be conducted by the Process Support Person. As a result, if a party does not select a Process
Support Person, the institution will select a Process Support Person to serve in this role for the limited purpose of conducting the cross-examination at no fee or charge to the party.

- The Process Support Person is not prohibited from having a conflict of interest or bias in favor of or against complainants or respondents generally, or in favor or against the parties to the particular case.
- The Process Support Person is not prohibited from being a witness in the matter.
- If a party does not attend the live hearing, the party’s Process Support Person may appear and conduct cross-examination on their behalf.
- If neither a party nor their Process Support Person appear at the hearing, Touro will provide a Process Support Person to appear on behalf of the non-appearing party.
- Process Support Personnel shall be subject to Touro’s Rules of Decorum, and may be removed upon violation of those Rules.

Witnesses

- Witnesses cannot be compelled to participate in the live hearing, and have the right not to participate in the hearing free from retaliation.
- If a witness does not submit to cross-examination, as described below, the decision-maker cannot rely on any statements made by that witness in reaching a determination regarding responsibility, including any statement relayed by the absent witness to a witness or party who testifies at the live hearing.

Hearing Process

1. The hearing will begin with any appeals by the Parties to the Pre-Hearing relevancy determinations by the Decision-maker.

2. The Decision-maker will then open the hearing by establishing the rules and expectations. The Decision-maker will then read the charges.

3. The Title IX Investigator will then provide a statement summarizing the investigation findings as recorded in the investigative report.

4. Either party (Complainant or Respondent) that has provided a statement that is included in the investigative report may subsequently request to provide a brief statement of additional clarification of no more than five (5) minutes in duration.

5. Upon conclusion of any clarification statement, the Decision-Maker will ask questions of the Parties and Witnesses.

6. Parties will be given the opportunity for live cross-examination after the Decision-Maker conducts its initial round of questioning; During the Parties’ cross-examination, Decision-Maker will have the authority to pause cross-examination at any time for the purposes of asking their own follow up questions; and at any time necessary in order to enforce the established rules of decorum. The Complainant, then followed by the Respondent, may have their Process Support Person ask any approved, relevant questions that have not already been addressed in the investigation or hearing. Should a Party or the
Party’s Process Support Person choose not to cross-examine a Party or Witness, the Party shall affirmatively waive cross-examination through a written or oral statement to the Decision-Maker. A Party’s waiver of cross-examination does not eliminate the ability of the Decision-Maker to use statements made by the Party.

7. Each Party will have an opportunity to submit additional questions for review by the Decision-Maker after the initial Oral Cross-Examination has concluded. Should such questions be approved, the Complainant, followed by the Respondent, may have their Process Support Person ask any additional approved, relevant questions. There will only be one round of additional questions allowed.

8. There shall be no Oral Direct Examination at any point in the hearing process. The only time it is may be allowed is if a Party identifies, and provides sufficient justification for, an “Expert Witness” prior to the Hearing. If an “Expert Witness” is identified by one party, the other party will have an opportunity to Cross-Examine that “Expert Witness”, if they so choose.

9. Upon completion of questioning, any Party must raise any procedural, substantive, bias, conflict or other perceived irregularity to the Decision-Maker’s attention for review and consideration. Failure to do so will forever waive such complaint.

10. Thereafter the Decision-maker will conclude the hearing.

Live Cross-Examination Procedure

Each party’s Process Support Person will conduct live cross-examination of the other party or parties and witnesses. During this live-cross examination the Process Support Person will ask the other party or parties and witnesses relevant questions and follow-up questions, including those challenging credibility directly, orally, and in real time.

Cross-examination questions that are duplicative of those already asked, including by the Decision-Maker, may be deemed irrelevant if they have been asked and answered.

Newly-discovered Evidence

As a general rule, no new evidence or witnesses may be submitted during the live hearing.

If a party identifies new evidence or witnesses that were not reasonably available prior to the live hearing and could affect the outcome of the matter, the party may request that such evidence or witnesses be considered at the live hearing.

The Decision-Maker will consider this request and make a determination regarding (1) whether such evidence or witness testimony was actually unavailable by reasonable effort prior to the hearing, and (2) whether such evidence or witness testimony could affect the outcome of the matter. The party offering the newly-discovered evidence or witness has the burden of establishing these questions by the preponderance of the evidence.

If the Decision-Maker answers in the affirmative to both questions, then the parties will be granted a reasonable pause in the hearing, or at the Decision-Maker’s sole discretion an adjournment, to review the evidence or prepare for questioning of the witness.
Standard of Proof

Touro uses the preponderance of the evidence standard for investigations and determinations regarding responsibility of formal complaints covered under this Policy. This means that the investigation and hearing determines whether it is more likely than not that a violation of the Policy occurred.

General Considerations for Evaluating Testimony and Evidence

While the opportunity for cross-examination is required in all Title IX hearings, determinations regarding responsibility may be based in part, or entirely, on documentary, audiovisual, and digital evidence, as warranted in the reasoned judgment of the Decision-maker.

Decision-Makers shall not draw inferences regarding a party or witness’ credibility based on the party or witness’ status as a complainant, respondent, or witness, nor shall it base its judgments in stereotypes about how a party or witness would or should act under the circumstances.

Generally, credibility judgments rest on the demeanor of the party or witness, the plausibility of their testimony, the consistency of their testimony, and its reliability in light of corroborating or conflicting testimony or evidence.

Still, credibility judgments should not rest on whether a party or witness’ testimony is non-linear or incomplete, or if the party or witness is displaying stress or anxiety.

It is well within the Decision-Maker’s purview to make credibility determinations and the Decision-Maker will afford the highest weight relative to other testimony to first-hand testimony by parties and witnesses regarding their own memory of specific facts that occurred. Both inculpatory and exculpatory (i.e. tending to prove and disprove the allegations) evidence will be weighed in equal fashion.

Except where specifically barred by the Title IX Final Rule, a witness’ testimony regarding third-party knowledge of the facts at issue will be allowed, but will generally be accorded lower weight than testimony regarding direct knowledge of specific facts that occurred.

The Final Rule requires that Touro allow parties to call “expert witnesses” for direct and cross examination. Touro does not provide for expert witnesses in other proceedings. While the expert witness will be allowed to testify and be crossed as required by the Final Rule, the Decision-maker will be instructed to afford lower weight to non-factual testimony of the expert relative to fact witnesses, and any expert testimony that is not directed to the specific facts that occurred in the case will be afforded lower weight relative to fact witnesses, regardless of whether the expert witness testimony is the subject of cross examination and regardless of whether all parties present experts as witnesses.

The Final Rule requires that Touro allows parties to call character witnesses to testify. Touro does not provide for character witnesses in other proceedings. While the character witnesses will be allowed to testify and be crossed as required by the Final Rule, the Decision-Maker will be instructed to afford very low weight to any non-factual character testimony of any witness.
The Final Rule requires that Touro admit and allow testimony regarding polygraph tests ("lie detector tests") and other procedures that are outside of standard use in academic and non-academic conduct processes. While the processes and testimony about them will be allowed to testify and be crossed as required by the Final Rule, the Decision-Maker will be instructed to afford lower weight to such processes relative to the testimony of fact witnesses.

Where a party or witness' conduct or statements demonstrate that the party or witness is engaging in retaliatory conduct, including but not limited to witness tampering and intimidation, the Decision-Maker may draw an adverse inference as to that party or witness' credibility.

**Components of the Determination of Responsibility**

Upon reviewing the investigative report and considering the statements and questions made by the Parties at the Hearing, within a reasonable time thereafter, the Decision-maker will make a determination of responsibility under the Preponderance of the Evidence standard. The Decision-maker will provide a written determination of whether the respondent is found to be responsible or not responsible. This written determination will be provided to both the Complainant and the Respondent simultaneously. The Decision-Maker's written determination will also include the following information:

- identification of the allegations potentially constituting Sexual Harassment;
- a description of the procedural steps taken from receipt of the formal complaint through the making of the determination;
- the findings of fact used to make the determination;
- conclusions regarding the application of Touro's Code of Conduct to the facts;
- a statement, and rationale for, the result of each allegation, including a determination regarding responsibility, any disciplinary sanctions, recommendation of or referral for disciplinary sanctions to be imposed on the Respondent, and whether remedies designed to restore or preserve equal access to Touro's education program or activity will be provided to the Complainant; and
- information on the procedures and permissible bases for parties to appeal the determination.

While both the Complainant and Respondent will be made aware of the determination of responsibility and the specifics of sanctions imposed on the Respondent (if any), any remedies provided to the Complainant will only be specified in the event that the remedy implicates and affects both parties. Further, the Title IX Coordinator has the responsibility to ensure the effective implementation of any remedies set forth in the written determination.

The decision is considered served and delivered on the date it is transmitted electronically to the Complainant and Respondent at their Touro provided email address. The time to appeal shall run from and including the date of such transmission.

If the final determination of the Fact Finder is that a Title IX or Sexual Misconduct Policy violation has occurred, Touro may provide notification of the finding to any relevant professional licensing bodies. The decision to provide such notice is at the sole and absolute discretion of Touro's Chief Compliance Officer and the President of the Touro University System.
4.14 APPEALS

The Complainant and Respondent will both be provided with at least one level of appeal. The Complainant and Respondent are eligible to file an appeal to the final determination based on:

- a procedural irregularity that affected the outcome of the matter;
- new evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made that could affect the outcome of the matter;
- the Title IX Coordinator, Investigator, or Decision-maker had a conflict of interest or bias for or against Complainants or Respondents generally, or the individual Complainant or Respondent that affected the outcome of the matter; or
- the sanction imposed is disproportionate to the violation.

The Complainant and Respondent may also appeal the mandatory or discretionary dismissal of a complaint based on the first three points listed above.

The request for an appeal must include the grounds for which the request is based and be submitted in writing to the Title IX Coordinator within seven (7) business days following the date of the written determination. The appeal should also state the remedy sought by the appealing party. Upon receipt of the appeal, the other party will receive notification of the appeal and be provided opportunity to respond in writing. Written responses to the other party’s appeal must be submitted within three (3) business days following the delivery of notice of the appeal.

In order to ensure a neutral and unbiased review, a party’s request for appeal will be sent to an Appeals Panel comprised of individuals with no connection to the initial determination, which serves as a separate Decision-maker. An appeal decision will be rendered within twenty (20) business days after the receipt of the formal appeal request. The appeal decision will be provided in writing to both parties.

Finality

The determination regarding responsibility becomes final either on the date that the institution provides the parties with the written determination of the result of the appeal, if an appeal is filed consistent with the procedures and timeline outlined in “Appeals” above, or if an appeal is not filed, the date on which the opportunity to appeal expires.

5.0 RETALIATION

Touro will keep the identity of any individual who has made a report or complaint of sex discrimination confidential, including the identity of any individual who has made a report or filed a Formal Complaint of sexual harassment under this Title IX Grievance Policy, any Complainant, any individual who has been reported to be the perpetrator of sex discrimination, any Respondent, and any witness, except as permitted by the FERPA statute, 20 U.S.C. 1232g, or FERPA regulations, 34 CFR part 99, or as required by law, or to carry out the purposes of 34 CFR part 106, including the conduct of any investigation, hearing, or judicial proceeding under this Title IX Grievance Policy.
No person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IX of the Education Amendments of 1972 or its implementing regulations.

No person may intimidate, threaten, coerce, or discriminate against any individual because the individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding or hearing under this Title IX Grievance Policy.

Any intimidation, threats, coercion, or discrimination, for the purpose of interfering with any right or privilege secured by Title IX or its implementing regulations constitutes retaliation. This includes any charges filed against an individual for code of conduct violations that do not involve sex discrimination or sexual harassment, but that arise from the same facts or circumstances as a report or complaint of sex discrimination or a report or Formal Complaint of sexual harassment.

Complaints alleging retaliation may be filed with the Office of Institutional Compliance at Compliance@touro.edu.

6.0 PRIVACY AND CONFIDENTIALITY

References made to confidentiality refer to the ability of identified confidential resources (e.g. priests/clergy) to not report crimes and violations to law enforcement or college officials without permission, except for extreme circumstances, such as a health and/or safety emergency or child abuse. References made to confidentiality or privacy mean Touro offices and employees who cannot guarantee confidentiality but will maintain privacy to the greatest extent possible, and information disclosed will be relayed only as necessary to investigate and/or seek a resolution and to notify the Title IX Coordinator or designee, who is responsible for tracking patterns and spotting systemic issues. Touro will endeavor to limit the disclosure as much as practicable, even if the Title IX Coordinator determines that the request for confidentiality or privacy cannot be honored.

Please note that Touro does not have any personnel that can be deemed or considered “Confidential Reporters” and, as such, all information provided to Touro may be disclosed to the Title IX Coordinator or other relevant administrator with Authority.

7.0 DISABILITY ACCOMMODATIONS

This Policy does not alter any institutional obligations under federal disability laws including the Americans with Disabilities Act of 1990, and Section 504 of the Rehabilitation Act of 1973. Parties may request reasonable accommodations for disclosed disabilities to the Title IX Coordinator at any point before or during the Title IX Grievance Process that do not fundamentally alter the Process. The Title IX Coordinator will not affirmatively provide disability accommodations that have not been specifically requested by the Parties, even where the Parties may be receiving accommodations in other institutional programs and activities.
8.0 NON-DISCRIMINATION IN APPLICATION

The requirements and protections of this policy apply equally regardless of sex, sexual orientation, gender identity, gender expression, or other protected classes covered by federal or state law. All requirements and protections are equitably provided to individuals regardless of such status or status as a Complainant, Respondent, or Witness. Individuals who wish to file a complaint about Touro’s policy or process may contact the Department of Education’s Office for Civil Rights using contact information available at https://ocrs.ed.gov/contact-ocr.

9.0 SPECIFIC INCORPORATIONS

- Section 4 - Definitions
- Section 6 – Sanctions for Violations
- Section 9 - Assistance for Victims: Rights & Options

- Section 11 – External Reporting
- Section 14 – Resources for Sexual Harassment Victims

In the case of any inconsistency between this Title IX policy and the Sexual Misconduct policy, the language found in the policy related to the identified (Title IX or Sexual Misconduct) conduct shall control.

10.0 IMPLEMENTATION

This policy shall be implemented by the Office of the Title IX Coordinator.
Appendix D
NEW YORK COLLEGE OF PODIATRIC MEDICINE
SEXUAL MISCONDUCT POLICY

14.0 POLICY

The New York College of Podiatric Medicine (“NYCPM”) pledges its efforts to ensure an environment in which the dignity and worth of all members of the community are respected. It is the policy of NYCPM that sexual intimidation of students and employees is unacceptable behavior and will not be tolerated. HTC will not tolerate unwelcome sexual advances, requests for sexual favors, and any other verbal or physical conduct of a sexual nature constituting sexual harassment or sexual assault (i.e. rape, fondling, incest or statutory rape).

All supervisors and managers who receive a complaint or information about suspected sexual misconduct, observe behavior that could be considered to be sexual misconduct or for any reason suspect that sexual misconduct is occurring, are required to report such suspected sexual harassment to the Office of the Chief Operating Officer. In addition to being subject to discipline if they engage in sexual misconduct themselves, supervisors and managers will be subject to discipline for failing to report suspected sexual misconduct. Touro will also not tolerate any supervisory and/or managerial personnel who knowingly allow such behavior to continue.

In general, it is a sex crime to engage in any sexual contact with a person who does not affirmatively consent, or to engage in sexual intercourse, deviant sexual intercourse, or sexual abuse if it is accomplished by forcible compulsion. New York state law also defines these acts as crimes if any of them are engaged in with a person who is incapable of consent either because of the person’s age or because the person is mentally incapacitated, or physically helpless. Therefore, sexual abuse, sexual assault, and rape are sex crimes and violators will be prosecuted in accordance with Illinois state law.

NYCPM subscribes to all federal, state and institutional laws and regulations to ensure the goal that it maintains a safe environment for all community members. This policy is meant to work in harmony with other applicable NYCPM policies and procedures that address sexual and discriminatory misconduct when relevant. In the event that conduct falls within the scope of the Title IX Grievance Policy, under the Education Amendments of 1972, then Touro’s Title IX Grievance policy will serve as the operating process for addressing the violation.

15.0 PURPOSE

All divisions of NYCPM seek to foster a collegial atmosphere where students are nurtured and educated through close faculty-student relationships, student camaraderie, and individualized attention. Discrimination or harassment of any kind, including sexual assault (i.e. rape, fondling, incest or statutory rape), domestic violence, dating violence, and stalking, is anathema to NYCPM’s mission, history, and identity. NYCPM will resolve any identified discrimination, harassment or sexual assault in a timely and effective manner. Compliance with NYCPM’s policies and procedures is a necessary step in achieving a safe environment in our educational community. The policies set forth were developed
to promote a safe educational environment in compliance with Title IX and Title VII of the Civil Rights Act of 1964, the Violence Against Women Act (VAWA), Illinois Law including the Illinois Preventing Sexual Violence in Higher Education Act, and a high-quality campus life. Those believing that they have been harassed or discriminated against on the basis of their sex, including sexual harassment, should immediately contact the Office of Institutional Compliance. When NYCPM has notice of the occurrence, NYCPM is compelled to take immediate and effective corrective action reasonably calculated to stop the harassment, prevent its recurrence, and as appropriate, remedy its effects.

16.0 SCOPE

This policy applies to all members of NYCPM, including students, faculty, and administrators as well as third-parties (including, but not limited to, vendors, invitees, etc.). This policy applies to events that occur on-campus, off-campus, and on study abroad. Information and/or training regarding this policy are available to students, faculty, and staff. In addition, information about this policy will be available on NYCPM’s website.

All members of the NYCPM community are required to cooperate fully with any investigations of discrimination or harassment. A faculty member, staff member, or student who has relevant information and refuses to cooperate with an ongoing investigation will be subject to disciplinary action for, among other things, violations of the NYCPM policy and/or insubordination.

Likewise, all NYCPM employees are required to ensure that complaints about discrimination, harassment, or retaliation are directed to the appropriate administrative office for evaluation and investigation. NYCPM is committed to conducting an inquiry that is thorough, prompt and impartial.

Formal Investigation and Resolution of Discrimination, Harassment, Sexual Assault or Retaliation Complaints

Duty to Cooperate and Facilitate
All members of NYCPM are required to cooperate fully with any investigations of harassment. A faculty member, staff member, or student who has relevant information and refuses to cooperate with an ongoing investigation will be subject to disciplinary action for, among other things, violations of the NYCPM Code of Conduct and/or insubordination. Likewise, all NYCPM employees are required to ensure that complaints about harassment are directed to the appropriate administrative office for evaluation and investigation.

Right to Prompt and Impartial Proceeding and Complaint Process
NYCPM is committed to conducting an inquiry that is thorough, prompt and impartial. Accused and accuser will have the opportunity to object to NYCPM participants as impartial.

Victims have the options to notify proper law enforcement authorities, including on-campus and local police, or to decline to notify such authorities. Complaints concerning sexual harassment and/or sexual discrimination should be sent to Mr. Joel Sturm, COO & VP for Administration at 53 E. 124th St, New York, NY 10035, or to JSturm@nycpm.edu.

A written or verbal complaint, which should be submitted within the later of the following two dates: (a) thirty (30) days after the alleged misconduct; or, (b) the end of the semester in which the alleged incident occurred. A complaint should include the following information:

- Complaint’s full name, home address, email, telephone number, and NYCPM Student/Employee ID number
- Name of the person against whom the complaint was made, including job title or student status, if known.
- The protected status that is the basis for the alleged discrimination,
harassment, or retaliation based on the complainant’s gender.

- A clear statement of the facts that constitute the alleged discrimination, harassment, or retaliation, including dates on which the acts were committed and any information to identify witnesses.
- Complainant should include the term and year of his/her most recent active employment, academic, or student status within the university.
- The full name, address, and telephone number of complainant’s advisor or supervisor, if any.
- The specific harm that resulted from the alleged act and the remedy sought.
- The complainant’s signature and the date on which the complaint was submitted.

The accused will receive notice of the complaint, along with references to the specific code provision violated and, if possible, the date, time and location of the incident, and notification of possible sanctions, although the accused will be considered innocent until proven guilty of a violation. While prompt reporting is expected, complaints older than 30 days will be processed. However, if more than 365 days have elapsed since the day of the complaint, the complaint may not be processed.

Every effort is made to conduct a thorough and speedy investigation. Several factors may impact NYCPM’s ability to conduct a prompt investigation, including, but not limited to: the Complainant’s accessibility or unresponsiveness, witness availability or unresponsiveness, the number of witnesses, the timing of the investigation (i.e. if an investigation is being conducted at a time when students are taking final exams or on recess), etc. The process allows for extension with good cause shown. The burden to develop facts surrounding the investigation and/or prove that an incident lacked consent is on the institution, not the reporting individual. A reporting individual may withdraw a complaint or report from the institution at any time. Such individual will not be penalized for withdrawing such complaint. Please note that the institution may, consistent with other provisions of this law as well as federal law, still have obligations to investigate and/or take actions even if the complaint has been withdrawn.

Availability of Counseling
NYCPM will offer a referral for counseling services to any complainant who has begun the complaint process. It is ultimately the complainant’s decision of whether or not to accept the counseling service.

Accommodations and Protective Measures Available for Victims
Upon receipt of a report of domestic violence, dating violence, sexual assault or stalking, NYCPM will provide written notification to the students and employees involved about accommodations available to them, including academic, living, transportation and working situations. The written notification will include information regarding the accommodation options, available assistance in requesting accommodations, and how to request accommodations and protective measures (i.e., the notification will include the name and contact information for the individual or office that should be contacted to request the accommodations).

At the victim’s request, and to the extent of the victim’s cooperation and consent,
NYCPM’s offices will work cooperatively to assist the victim in obtaining accommodations. If reasonably available, a victim may be offered changes to academic, living, working or transportation situations regardless of whether the victim chooses to report the crime to campus police or local law enforcement. Examples of options for a potential change to the academic situation may be to transfer to a different section of a class, withdraw and take a class at another time if there is no option for moving to a different section, etc. Potential changes to living situations may include moving to a different room or residence hall. Possible changes to work situations may include changing working hours. Possible changes in transportation may include having the student or employee park in a different location, assisting the student or employee with a safety escort, etc.

Certain remedial measures may be taken to protect both parties during the pendency of the investigation, including changes to academic, living, transportation, and working situations or other protective measures. NYCPM may make such accommodations or provide such protective measures if the victim requests them and if they are reasonably available, regardless of whether the victim chooses to report the crime to campus police or local law enforcement.

To request changes to academic, living, transportation and/or working situations or protective measures, a victim should contact the Office of the Dean of Student Services, LLee@NYCPM.edu

Notice and Timely Access and Preservation of Evidence
The proceeding will be consistent with NYCPM’s policies and transparent to both the accuser and the accused. Both accuser and accused will receive timely notice of meetings at which either accuser, accused, or others (upon request) may be present. Both accuser and accused will receive timely and equal access to information that will be used during formal and informal disciplinary meetings or hearings. NYCPM will endeavor to protect the privacy of the participating parties and/or witnesses.

It is very important that the victim preserve any proof or evidence of any criminal offense. Such incidents will be reviewed and investigated in an expedient and professional manner.

Intake Interview
After receipt of a complaint, the Office Chief Operating Officer or the Dean & Chief Academic Officer or their designee will meet with the complainant as soon as possible, usually within one week, but not later than thirty (30) days after receipt. The complainant must make himself/herself available to meet.

The meeting will be an intake interview where the College Officer’s or their or his/her designee will inform the complainant about the investigation procedure and timeline. The complainant will have an opportunity to provide or present evidence and witnesses on their behalf. The complainant may sign a formal complaint form at that time (under the above guidelines) if he/she has not already done so. A complaint will proceed even in the absence of a signed written complaint.

Complaints about Students, Faculty, Other Employees or Third Parties
NYCPM’s disciplinary process includes a prompt, fair, and impartial investigation
and resolution process from the initial investigation to the final result. Upon receipt of a complaint, the Office of Institutional Compliance or his/her designee shall investigate the circumstances of the complaint. This investigation will include documented interviews of the complainant, the person against whom the complaint is written, and witnesses with relevant knowledge, if any. Further, the investigation will include a review of relevant documents and any other evidence. NYCPM will use the preponderance of the evidence standard in the investigation and disciplinary action, as VAWA requires.

**Investigation of Complaints**

The Office the Dean or the Chief Operating Officer, or their designee shall have thirty (30) days from the intake interview to complete the investigation of the event in question. Usually, the resolution of domestic violence, dating violence, sexual assault and stalking complaints are completed within 60 days of the report. However, each proceeding allows for extensions of timeframes for good cause with written notice to the accuser and the accused of the delay and the reason for the delay. NYCPM officials involved in the investigation or adjudication of domestic violence, dating violence, sexual assault and stalking complaints are trained annually on the issues related to domestic violence, dating violence, sexual assault, and stalking as well as how to conduct an investigation and hearing process that protects the safety of the victim and promotes accountability. Such thirty (30) days may be extended in the event that one of the following occurs:

- Availability or unavailability of a witness or relevant/material documents;
- Reluctance of a witness and/or any necessary party;
- Delay or other uncooperative actions of any necessary party;
- Numerosity of witnesses;
- Holidays and vacation periods;
- Any other unforeseeable events/circumstances.

Both the complainant and respondent will have the same opportunities to have others present during any disciplinary proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice. NYCPM will not limit the choice of advisor or presence for either the accuser or the accused in any meeting or institutional disciplinary proceeding, but NYCPM may establish restrictions regarding the extent to which the advisor may participate in the proceedings, as long as the restrictions apply equally to both parties.

During any such investigation, the complainant and the accused will each reserve the right to exclude their own prior sexual history with any persons other than the party involved in the hearing during the judicial or conduct investigation process. Both will also reserve the right to exclude any mental health diagnosis and treatment during the institutional disciplinary stage which determines responsibility. Past findings of domestic violence, dating violence, stalking, or sexual assault may be admissible in the stage that determines sanction.

Generally speaking an investigation will take approximately 60 calendar days following receipt of the complaint. This may not be practicable in every investigation and may vary depending on the complexity of the investigation and the severity and extent of the harassment. The institutional disciplinary procedures will not be conducted by officials who have a conflict of interest or bias for or against the
accuser or the accused.

Notice of Determination and Further Action
The Office of Institutional Compliance or their designee shall report the findings of the investigation to a designated, impartial Fact Finder. The Fact Finder shall endeavor to issue a determination within fifteen day after receipt of the investigation file to determine and detail: (a) whether there is probable cause to believe discrimination occurred with respect to each allegation in the complaint, (b) a description of actions taken, if any, to prevent similar problems from occurring in the future, and (c) the proposed resolution of the complaint. Both parties will be informed of the outcome reached and sanctions imposed as a result of such investigation and determination.

Both the complainant, the party who filed the complaint or the alleged target of the sexual harassment or sexual assault, and the respondent, the accused, shall be informed of the fact finder’s decision, including the outcome reached and sanctions imposed, in writing simultaneously within seven days of the conclusion of the fact finder’s deliberation. They will both be notified simultaneously and in writing of the outcome of the proceeding; appeal procedures; any change to the result before it becomes final (if applicable); and when the result becomes final. Questions concerning these actions should be addressed to the Office of the Dean & Chief Academic Officer, or the Office of the Chief Operating Officer, or their designee. Notification to the appropriate law enforcement officials and other assistance to the student or staff member in notifying law enforcement officials will be provided, if requested.

NYCPM will provide the victim a written explanation of her/his rights and options with respect to the report when the victim reports to NYCPM about the misconduct.

Notification to Victims of Crimes of Violence
NYCPM will, upon written request, disclose to the alleged victim of a crime of violence, or a non-forcible sex offense, the report on the results of any disciplinary proceeding conducted by such institution against a student who is the alleged perpetrator of such crime or offense. If the alleged victim is deceased as the result of such crime or offense, the next of kin of such victim shall be treated as the alleged victim for purposes of this paragraph.

Appeals
The complainant and respondent alike will be provided with at least one level of appeals.

Both the complainant and the respondent are eligible to file an appeal to the determination based on (i) a procedural error occurred, (ii) new information exists that would substantially change the outcome of the finding, or (iii) the sanction is disproportionate with the violation.

The request for an appeal, including the grounds upon which the request is based, should be submitted in writing to the Office of Institutional Compliance within seven (7) business days following the date on the outcome letter. The Appeal should state the remedy sought by the appealing party. Each party may respond in writing to any
appeal submitted by the other party. Written responses to the other party's appeal must be submitted within three (3) business days following delivery of the notice of the written appeal. Written requests for appeal submitted by one party will be shared with the other party.

Appeals will be conducted in an impartial manner by trained NYCPM officials without conflict of interest or bias for or against either party. A party with a concern about a conflict of interest or bias should contact the Office of Institutional Compliance. The Appeals Panel can determine whether a change in the decision is warranted. If applicable, both the accuser and accused will have an opportunity to be present or have others present during any disciplinary proceedings. If a change in this decision is necessary, the Appeals Panel will review the appeal and rationale and make a final decision. Both parties will be informed of the outcome reached and sanctions imposed as a result of such proceedings.

Appeals will not be reviewed or considered beyond the Appeals Panel. Appeals decisions will be rendered within twenty (20) business days after the receipt of the formal request for appeal. The appeal decision will be provided in writing to both parties and the appeal decision is final.

NYCPM has a grade appeal process, which is not circumvented by this policy. This procedure is not a substitute for a grade appeal. A grade appeal may be suspended until a determination has been made by the fact finder.

NYCPM will provide the victim a written explanation of her/his rights and options with respect to the report when the victim reports to NYCPM about the misconduct.

19.0 SANCTIONS FOR VIOLATIONS

Student violators may be subject to the following sanctions and remedial measures on a case-by-case basis:

- **Warning**: A written reprimand putting the student on notice that he/she has violated the Code of Conduct. A copy of this warning is placed in the student's folder.
- **No-Contact Order**: A student may be ordered to temporarily not intentionally contact a victim through any medium.
- **Probation**: A student may be placed on disciplinary probation for a definite period of time. While on probation, students may not hold office in Student Government Organizations, Clubs or Societies or represent the college in any capacity. Further violations while on probationary status will result in suspension or expulsion from the college.
- **Restitution**: A student may be required to pay restitution to the college or to fellow students for damages and losses resulting from his/her actions.
- **Suspension**: At any time during a student's enrollment at the college he/she may be suspended and barred from attending classes for a definite period, not to exceed two years. A student who is suspended is entitled to a written clarification with specific reasons for and description of the sanction. A student may not be automatically re-enrolled at the end of his/her suspension. He/she must apply to the Student Affairs Committee for re-enrollment.
- **Expulsion**: NYCPM may terminate a student's status at the college at any
Faculty and staff (part-time and full-time) who violate the policy will be subject to disciplinary sanctions on a case-by-case basis as follows:

- **Censure:** A written reprimand, outlining the violation(s) of college policies, may be placed in the personnel file of individual violators.
- **Probation:** Faculty and/or staff may be placed on probation for a definite period of time up to a maximum of one year. In such instances, individuals may be required to enroll in a therapeutic counseling or treatment program.
- **Suspension:** Faculty and/or staff may be suspended from employment without pay for a period of time ranging from seven days to a maximum of one year.
- **Termination of Employment:** Faculty and/or staff may be dismissed from employment upon written notice by the Dean of Faculties (for faculty members) or the Vice President for Administration (all other employees).
- **Legal Action:** Faculty and/or staff may be turned over to law enforcement authorities for criminal prosecution and legal action.

In both cases for students, faculty and staff, the existence of a progressive system of disciplinary sanctions measures does not preclude NYCPM from levying a heavy sanction, without first resorting to a lesser sanction. By way of illustration and not exclusion, NYCPM may expel a student or terminate a staff member for a violation of policy without first issuing a warning or putting that student or employee on probation.

**College-Initiated Protective Measures**

In addition to those protective measures previously described the Title IX Coordinator or their designee will determine whether interim interventions and protective measure should be implemented, and, if so, take steps to implement those protective measures as soon as possible.

When the accused or respondent is a student, to have the institution issue a “no contact order” consistent with institution policies and procedures, whereby continued intentional contact with the reporting individual would be a violation of institution policy subject to additional conduct charges; if the accused or respondent and a reporting individual observe each other in a public place, it shall be the responsibility of the accused or respondent to leave the area immediately and without directly contacting the reporting individual. Both the accused or respondent and the reporting individual shall, upon request and consistent with institution policies and procedures, be afforded a prompt review, reasonable under the circumstances, of the need for and terms of a no contact order, including potential modification, and shall be allowed to submit evidence in support of his or her request. Institutions may establish an appropriate schedule for the accused and respondents to access applicable institution buildings and property at a time when such buildings and property are not being accessed by the reporting individual.

Other examples of interim protective measures include, but are not limited to: a College order of no contact, residence hall relocation, adjustment of course schedules, a leave of absence, or reassignment to a different supervisor or position. These remedies may be applied to one, both, or multiple parties involved. Protective
measures imposed may be temporary pending the results of an investigation or may become permanent as determined by the New York College of Podiatric Medicine. Violations of the Dean or COO's directives and/or protective measures will constitute related violations that may lead to additional disciplinary action including interim suspension pending the outcome of a judicial or conduct process consistent with NYCPM policy. Both the accused or respondent and the reporting individual shall, upon request and consistent with the institution's policies and procedures, be afforded a prompt review, reasonable under the circumstances, of the need for and terms of an interim suspension, including potential modification, and shall be allowed to submit evidence in support of the request.

Every institution shall ensure that individuals are provided the following protections and accommodations:

- To receive a copy of the order of protection or equivalent when received by an institution and have an opportunity to meet or speak with an institution representative, or other appropriate individual, who can explain the order and answer questions about it, including information from the order about the accused's responsibility to stay away from the protected person or persons;
- When the accused is not a student but is a member of the institution's community and presents a continuing threat to the health and safety of the community, to subject the accused to interim measures in accordance with applicable collective bargaining agreements, employee handbooks, and rules and policies of the institution.

20.0 CONFIDENTIALITY

NYCPM has independent obligations to report or investigate potential misconduct, even if a complainant does not wish to initiate an official process. Therefore, absolute confidentiality cannot be promised with respect to a complaint of discrimination, harassment, sexual harassment, sexual assault (i.e. rape, fondling, incest or statutory rape) or retaliation received through the office of the Director of Safety and Security.

NYCPM wishes, however, to create an environment in which legitimate complaints are encouraged, while also protecting the privacy of all involved in an investigation. Complaints about violations of these policies will therefore be handled in strict confidence, with facts made available only to those who need to know in order for NYCPM to promptly and thoroughly investigate and resolve the matter. NYCPM employees will explain to the reporting individual whether he or she is authorized to offer the reporting individual privacy.

Reporting individuals may request confidentiality and choose not to consent to an investigation by NYCPM, and the Title IX Coordinator must weigh the request against the institution's obligation to provide a safe, non-discriminatory environment for all members of its community. If NYCPM determines that an investigation is required, it must notify the reporting individuals and take immediate action as necessary to protect and assist them. NYCPM should seek consent from reporting individuals prior to investigating, and declining consent will be honored unless NYCPM determines in good faith that failure to investigate does not adequately mitigate a potential risk of harm to members of the community. If an individual
discloses information through a public awareness event, NYCPM is not obligated to begin an investigation based on such information.

Declining to consent to an investigation shall be honored unless the institution determines in good faith that failure to investigate does not adequately mitigate a potential risk of harm to the reporting individual or other members of the community. Honoring such a request may limit the institution’s ability to meaningfully investigate and pursue conduct action against an accused individual. Factors used to determine whether to honor such a request include, but are not limited to:

- Whether the accused has a history of violent behavior or is a repeat offender;
- Whether the incident represents escalation in unlawful conduct on behalf of the accused from previously noted behavior;
- The increased risk that the accused will commit additional acts of violence;
- Whether the accused used a weapon or force;
- Whether the reporting individual is a minor; and
- Whether the institution possesses other means to obtain evidence such as security footage, and whether available information reveals a pattern of perpetration at a given location or by a particular group

NYCPM will complete publicly available record-keeping for purpose of Clery Act reporting and disclosure. These reports will not include identifying information about the victim or accused and shall maintain confidentiality of any accommodations or protective measures provided to the victim, to the extent that maintaining such confidentiality would not impair the ability of Touro to provide the accommodations or protective measures.

By only sharing personally identifiable information with individuals on a need-to-know basis, without the inclusion of identifying information about the victim, the institution will maintain as confidential any accommodations or protective measures provided to the victim, to the extent that maintaining such confidentiality would not impair the ability of NYCPM to provide the accommodations or protective measures.

21.0 RETALIATION

Retaliation is any kind of reprisal, adverse action, or negative action taken against an individual because he or she has:

- Complained about alleged discrimination, harassment or sexual assault as defined above;
- Participated as a party or witness in an investigation relating to such allegations, or
- Participated as a party or witness in a proceeding regarding such allegations.

Retaliation can occur contemporaneously during the complaint process or subsequent to it, once the retaliator is aware of the recipient’s participation in the process. Retaliation does not exist in the absence of an adverse action. An individual is protected from retaliation even when the complaint at issue is ultimately found to lack merit, as long as the complaint was made in good faith.
NYCPM does not allow, nor tolerate any conduct by any NYCPM member that may be regarded as retaliatory. Retaliation against any individual, whether said person submitted a complaint, will not be tolerated.

Upon the first instance of disclosure by a reporting individual to a NYCPM representative, the individual will be informed:

Reporting individuals or bystanders who report an incident of sexual assault in good faith will receive amnesty for drug and alcohol use. Employees, faculty and students who violate NYCPM’s policies may be subject to disciplinary action. Individuals, who retaliate against someone who files a complaint, or against a witness, representative, or advocate for a complainant, will be subject to further disciplinary action.

22.0 Assistance for Victims: Rights & Options

Regardless of whether a victim elects to pursue a criminal complaint or whether the offense is alleged to have occurred on or off campus, NYCPM will assist victims of sexual assault, domestic violence, dating violence, and stalking and will provide each victim with a written explanation of their rights and options. Such written information will include:

- the survivor's right to report or not report the alleged incident to the higher education institution, law enforcement, or both, including information about the survivor's right to privacy and which reporting methods are confidential;
- the contact information for the higher education institution's Dean or COO, confidential advisors, a community-based sexual assault crisis center, campus law enforcement, and local law enforcement;
- the survivor's right to request and receive assistance from campus authorities in notifying law enforcement;
- the survivor's ability to request interim protective measures and accommodations for survivors, including without limitation changes to academic, living, dining, working, and transportation situations, obtaining and enforcing a campus-issued order of protection or no contact order, if such protective measures and accommodations are reasonably available, and an order of protection or no contact order in State court;
- the higher education institution's ability to provide assistance, upon the survivor's request, in accessing and navigating campus and local health and mental health services, counseling, and advocacy services; and
- a summary of the higher education institution's complaint resolution procedures.
- the procedures victims should follow if a crime of dating violence, domestic violence, sexual assault or stalking has occurred;
- information about how the institution will protect the confidentiality of victims and other necessary parties;
- an explanation of the procedures for institutional disciplinary action.

Rights of Victims and the Institution's Responsibilities for Orders of Protection, "No Contact" Orders, Restraining Orders, or Similar Lawful Orders Issued by a Criminal, Civil, or Tribal Court or by the Institution
NYCPM complies with New York State law in recognizing orders of protection. Any person who obtains an order of protection from New York or any reciprocal state should provide a copy to the Chief Operating Officer. A complainant may then meet with Campus Security to develop a Safety Action Plan, which is a plan for administration and the victim to reduce risk of harm while on campus or coming and going from campus. This plan may include, but in not limited to: escorts, special parking arrangements, providing a temporary cellphone, changing classroom location or allowing a student to complete assignments from home, etc.) NYCPM cannot apply for a legal order of protection, no contact order or restraining order for a victim from the applicable jurisdiction(s). However, the individual may receive assistance from police or campus security, or have them call the appropriate agency in order to effect an arrest when an individual violates an order of protection.

NYCPM may issue an institutional no contact order if deemed appropriate or at the request of the victim or accused. If NYCPM receives a report that such an institutional no contact order has been violated, NYCPM will initiate disciplinary proceedings appropriate to the status of the accused (student, employee, etc.) and will impose sanctions if the accused is found responsible for violating the no contact order.

It is very important that the victim preserve any proof or evidence of the criminal offense. Such incidents will be reviewed and investigated in an expedient and professional manner.

The federal laws require that both accuser and accused have the opportunity to object to NYCPM Participants as impartial.

Every institution shall ensure that every student be afforded the following rights:
- Throughout proceedings involving such an accusation of sexual assault, domestic violence, dating violence, stalking, or sexual activity that may otherwise violate the institution’s code of conduct, the right:
  - To a prompt response to any complaint and to have the complaint investigated and adjudicated in an impartial, timely, and thorough manner by individuals who receive annual training in conducting investigations of sexual violence, the effects of trauma, impartiality, the rights of the respondent, including the right to a presumption that the respondent is "not responsible" until a finding of responsibility is made pursuant to the provisions of this article and the institution’s policies and procedures, and other issues including, but not limited to domestic violence, dating violence, stalking or sexual assault.
  - To make an impact statement during the point of the proceeding where the decision maker is deliberating on appropriate sanctions.
  - To simultaneous (among the parties) written or electronic notification of the outcome of a judicial or conduct process, including the sanction or sanctions.

Procedures the College Will Follow When a Crime of Domestic Violence, Dating Violence, Sexual Assault and Stalking is Reported
NYCPM has procedures in place that serve to be sensitive to victims who report sexual assault, domestic violence, dating violence, and stalking, including informing individuals about their right to file criminal charges as well as the availability of counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance and other services on and/or off campus as well as additional remedies to prevent contact between a complainant and an accused party, such as housing, academic, transportation and working accommodations, if reasonably available. NYCPM will make such accommodations, if the victim requests them and if they are reasonable available, regardless of whether the victim chooses to report the crime to the appropriate College individual or office or local law enforcement. Students and employees should contact However, the individual may receive assistance from police or campus security, or have them call the appropriate agency in order to effect an arrest when an individual violates an order of protection.

Communications between a confidential advisor and a survivor shall consist of:

- Informing the survivor of the survivor's choice of possible next steps regarding the survivor's reporting options and possible outcomes, including without limitation reporting pursuant to the higher education institution's comprehensive policy and notifying local law enforcement.
- Notifying the survivor of resources and services for survivors of sexual violence, including, but not limited to, student services available on campus and through community-based resources, including without limitation sexual assault crisis centers, medical treatment facilities, counseling services, legal resources, medical forensic services, and mental health services.
- Informing the survivor of the survivor's rights and the higher education institution's responsibilities regarding orders of protection, no contact orders, or similar lawful orders issued by the higher education institution or a criminal or civil court.
- Providing confidential services to and have privileged, confidential communications with survivors of sexual violence.
- Liaising with campus officials, community-based sexual assault crisis centers, or local law enforcement and, if requested, assist the survivor with contacting and reporting to campus officials, campus law enforcement, or local law enforcement (upon the survivor's request and as appropriate).
- Liaising with the necessary campus authorities to secure interim protective measures and accommodations for the survivor (upon the survivor's request).

If a report of domestic violence, dating violence, sexual assault or stalking is reported to NYCPM, NYCPM will follow the procedures above.

24.0 EXTERNAL REPORTING

NYCPM will conduct a campus climate assessment every other year to ascertain general awareness and knowledge of the provisions of this policy, including student experience with and knowledge of reporting and college adjudicatory processes, which shall be developed using standard and commonly recognized research methods. The aggregate results of these campus climate assessments shall be posted on NYCPM’s website with no identifying information about respondents.

Members of NYCPM are always subject to local, state, and federal laws, and nothing in these procedures is intended to limit or postpone the right of an individual to file a complaint or charge with appropriate federal, state, or local departments or agencies.

It is the rights of victims and the responsibilities of all members of the community to comply with protective orders issued by a criminal, civil or tribal court or by NYCPM.
Among other options, students may contact the Office for Civil Rights of the U.S. Department of Education for inquiries concerning the application of Title IX as well as the implementation of its regulations. The Office for Civil Rights can be contacted using the following information:

25.0 Policy on Monitoring Criminal Activity

NYCPM monitors and records criminal activity by students at non-campus locations of student organizations officially recognized by NYCPM, including student organizations with non-campus housing facilities through local police agencies.

26.0 Programs

All new students, including transfers, will attend a program about the provision of this policy and how to protect themselves against sexual assault. On at least an annual basis, Dean or his/her delegate at NYCPM will provide a formal educational program to increase awareness of sexual offenses, including rape, acquaintance rape, dating violence, domestic violence, sexual assault, stalking and other forcible and non-forcible sexual offenses.

NYCPM engages in comprehensive, intentional, and integrated programming, initiatives, strategies, and campaigns intended to end dating violence, domestic violence, sexual assault and stalking that:

- Are culturally relevant, inclusive of diverse communities and identities, sustainable, responsive to community needs, and informed by research, or assessed for value, effectiveness, or outcome; and
- Consider environmental risk and protective factors as they occur on the individual, relationship, institutional, community and societal levels.

The programs will include discussion of what constitutes these offenses, penalties for these offenses, definition of consent, prevention and awareness programs and ongoing prevention and awareness campaigns; risk reduction for students and faculty, safe and positive options for bystander intervention and security measures to protect against the occurrence of these offenses. NYCPM will advertise the date, time and content of these educational programs on posters displayed in those areas regularly used by students and employees of NYCPM.

27.0 Resources for Sexual Harassment Victims

NYCPM will provide referral resources for sexual harassment victims, regardless of whether the victims choose to report the crime to campus police or local law enforcement. These resources include but are not limited to:

- Crisis Intervention Counseling
• In-person or telephone services which support clients and their families in their effort to cope with the trauma of victimization and provide assistance in the recovery process.
• Emergency Assistance
  o Counselors will work with clients to determine and meet immediate needs for mental health counseling, medical care, etc.
• Accompaniment
  o Security is available to provide support and escort around campus, and in certain instances to assist the individual in getting home.

  o Victims will have access to a sexual assault forensic examination with a nurse.
  o Available community resources will be provided based on client's individual needs.

28.0 REGISTERED SEXUAL OFFENDERS

The federal Campus Sex Crimes Prevention Act, enacted on October 28, 2000, requires institutions of higher education to issue a statement advising the campus community where law enforcement agency information provided by a State concerning registered sex offenders may be obtained. It also requires sex offenders already required to register in a State to provide notice, as required under State law, of each institution of higher education in that State at which the person is employed, carries on a vocation, volunteers services or is a student.
